Hi Mindy,

I received the notice of election to proceed that you had sent to our City Manager's Office, dated December 18<sup>th</sup> for the IBEC.

Was this sent out as part of the process to notify jurisdictions that the Governor has approved this project for streamlining? And so at this point you are sending out the required notification that is stipulated under Section 21168.6.8?

Hope all has been well with you and you had a great Christmas!

Greg
