Subject: RE: IBEC: Meeting week of Jan 6

Good morning Lisa:

Due to the holidays and both Jillian & Lijin being out, I will have to coordinate with both of them to see what kind of availability they might have next week. It's possible the latter half of the week might work, but I'm not too comfortable confirming without touching base with Jillian, at least.

May we get back to you by the end of the week?

Thanks!
Celia

Subject: IBEC: Meeting week of Jan 6

Hi Jillian and Lijun,

Hope you are well and having a nice holiday. I was hoping we can schedule time for a meeting or call next week as the EIR for the IBEC project was released on 12/27/19. The analysis is consistent with approach and methodology we discussed, and would like to review the contents and see if you have questions. Are you available for a meeting next week? We will work our schedules to accommodate your availability.

Hi Lisa,

Not sure if you remembered but our offices are closed on Mondays. Yes, Celia mentioned that you called but I got busy and wasn't able to return your call. This week is tough for me, but I am sure we can find 30 minutes on Thursday for a quick call, perhaps on Thursday afternoon?

Jillian.

Hi Lijin, Jillian and Celia,

I hope you are well and having a good Monday. I know this is an insane week, and talked with Celia last week about trying to do a 30 minute Goto/Zoom meeting on Thursday or even Friday. Jillian or Lijin, are you are available for a quick call today so I can give you a courtesy heads up?

Thank you,

Lisa Trifiletti
