Subject: IBEC: Collaboration Meeting Conference Call 1-2-2020
Importance: High

Team,

As you're probably aware, we are unable to access the Webex which is hosted by ESA. However, Christina is unable to host.

If there is something we need to conference about, I can conference up to 5 people on my iphone. Mindy is available to join on the call if needed.

Note, if conference capability is needed which exceeds 5 people and another team member has a solution, please let me know.

Thanks.
Gordon
