Hi, Perla. I've left sick for the day so I have copied our Receptionist, Brittany who can work with AV to help this effort. We don't have projectors or boards in our offices, but we do have the ability to get your computer screen on a tv in the room reserved. My understanding is that we simply need to attach a cord.

Hi Sarah – Would it be possible to get a room with a projector or a board? We have a presentation that we would like to share with the Team.

Thanks,

Hi Darin and team,

I connected with folks at Inglewood. How does Thursday, Jan 9 from 1-3, or any time on Friday the 10<sup>th</sup> work for you and your team? If not, are you available, Jan 14<sup>th</sup> in the afternoon?

Also, I am working with LA Metro to achieve mutual support letters for the TIRCP grants – one from Inglewood and the SouthBay CCOG for the Crenshaw line improvements grant application submitted by Metro, and one from Metro for the Inglewood Transit Connector Project.

We would really appreciate it if SCAG would be willing to submit a letter of support or even letter to identify consistency with the SCAG RTP for the City of Inglewood's ITC Project. I have attached a draft letter for your review and feedback, and happy to coordinate a call with Metro if you would like to do a call all together.

Thank you in advance for your help and support!

Hi Lisa, it was great to see you too. Sorry for the slow response. Yes we would very much appreciate an update on what is going on in Inglewood. Do you want to start by sending us some times?

Happy holidays!

Darin,

It was so great to see you for lunch last week! I really enjoyed spending time together and looking forward to working with you.

I was hoping to schedule time with you and your team as a number of Inglewood items are going to need SCAG's support. We are updating the mobility plan with LA Metro, moving forward with the ITC grant application for TIRCP funds, and also releasing an EIR for the Inglewood Basketball & Entertainment Center (IBEC). Would it be possible to schedule time on the IBEC Draft EIR with your team – likely to include Naresh Amatya for the first week back in January?

Talk to you soon and appreciate your help and support.

Thanks,
