Hi Lisa,

At the moment we do not have anything new to report, Traffic Ops is still reviewing. However, Traffic Ops has requested to view the powerpoints that were presented at the meeting. Will you be able to provide the powerpoints?

Best,

Good Afternoon Lisa,

We are all set to go, However I will be off tomorrow but everyone else will be there. I think it is important for you this meeting to take place due to the time constraints and the magnitude of this project. Carlo has you covered, you are in good hands.

Please let us know if you need parking so we can set that up today.

Thank you,
