## Public Input Form Scoping Meeting Inglewood Basketball and Entertainment Center March 12, 2017

Please use this form to provide written comments this evening on what you believe should be addressed in the Environmental Impact Report for the above project. You may submit your comments at this scoping meeting or you may email or mail any comments to the City of Inglewood Contact listed below. Written comments on the Notice of Preparation (NOP) for the Environmental Impact Report will be accepted until **March 22, 2018**.

Comments:

As far as the environmental impact goes, I strongly suggest the level of gas emissions be taken to consideration in regards to the residents surrounding the area. Adding another arena to an already busy intersection can cause high levels of gas emission and also light pollution!
