Hi Nick – Yes, that's correct, the original time was 9:30AM. **But would 9AM work for you and your team?** The team asked if we could move up the time slot to 9AM just in case the meeting went over an hour. We have an 11AM meeting in DTLA so if we start at 9:30AM we would have to leave at 10:30am sharp.

Thanks,
