Good morning Perla,

Thank you for the email and voicemail...I do apologize for not responding sooner but unfortunately I've been the only planner here at the City it has been pretty busy as you can imagine.

I am glad the time was extended because our Director is still on Jury Duty and it is unknown if he will be in on Monday as of yet – He will probably reach out to us this evening to update us on his schedule and I'll reach out to you most likely Monday.

Regards,

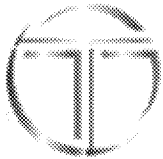

Maria G. Majcherek

Hi Maria – Hope you're doing well! Please see attached. I've left you voicemail but wanted to let you know that we do have more time to schedule a meeting with you and the Planning Director. That said, could you please provide dates/times that work for next week?

Thanks,

Good morning Perla,

I was able to speak to our Planning Director and unfortunately he is still on Jury Duty. Therefore we won't be able to meet this week. Would you be available Monday? He should be back by then. If that is not possible let me try to speak to him once again and see if he had any comments related to the EIR for the project.

Regards,
