Subject: IBEC: City Yard Alternative

Hi Louis,

As you know, the City Yard was included as an alternative in the IBEC EIR. Our CEQA consultant has a few questions related to facilities that are currently housed at the City Yard (e.g. fueling station, vehicle repair facilities, etc.). Do you have availability on Monday, March 2 from 1-2pm for a 15-30 minute conference call on this or is there someone else we should speak with? Thanks.

Respectfully,
