Yes, good catch:

1. 2021 completed 2024
2. \$100 million.

Thanks.

Subject: Question about Clippers Arena article

Angela,

I'm working on your draft and realized that I have a couple of questions about the Clippers arena article:

1. The 2nd bullet says that construction begins 2021 and is completed 2020. Should they be reversed -- beginning 2020 and completed 2021? Or is it 2021 and some other date (2023?, etc.)?
2. The 6th bullet says "\$1,000 million" in estimate tax revenue. Should it be \$100 million or \$1 billion (which equals 1,000 millions)?
