Hi Josh,

Mindy is away at a conference and asked me to coordinate with you to update the City website. Please make the following modifications to the website under Ongoing Planning Projects, Murphy's Bowl (Proposed NBA Arena) <https://www.cityofinglewood.org/1036/Murphys-Bowl-Proposed-NBA-Arena>

1. The highlighted wording below should be added as indicated;

Murphy's Bowl (Proposed NBA Arena)

Please note the following regarding the extension of the public comment period of the Draft Environmental Impact Report for the Inglewood Basketball and Entertainment Center to March 17, 2020.

On December 27, 2019, the City released the Draft Environmental Impact Report (EIR) for the Inglewood Basketball and Entertainment Center. As set forth in the notice of availability issued by the City on December 27, 2019, the initial deadline to submit comments on the Draft EIR was February 10, 2020. On February 5, 2020, the City elected to extend the initial comment period by 30 days to March 10, 2020. On March 4, the City elected to extend the initial comment period by an additional 7 days to March 17, 2020. The revised deadline to submit comments on the Draft EIR and technical appendices is March 17, 2020. Written comments on the Draft EIR and technical appendices must be received no later than 5:00 p.m., on March 17, 2020.

The following are documents associated with the proposed National Basketball Association (NBA) Arena and Entertainment Center near the Intersection of Prairie Avenue and Century Boulevard:

2. The attached notices in English and Spanish should be inserted into the appropriate links for Notice of Availability – English and – Spanish.

Please make these modifications ASAP.

If you should have any questions, please let me and Mindy (she will be checking her emails) know.

Thanks.
