Good morning,

The County has declared that all its buildings be closed to the public effective today. The Department will no longer be accepting in-person consultations for the remainder of the month. We will need to move to teleconference if your team still wishes to go ahead with the pre-submittal consultation on Thursday 3/26. Let me know if that still works for your team.

Thanks,

Hi Perla,

As you may be aware about the Coronavirus epidemic, the State is advising for social distancing and keeping meetings to a minimum, and the NBA is suspending this season. Right now we at the County are still on normal operations, but that may change next week depending on direction from the County. We are suspending public meetings for the next few weeks. This may or may not affect our meeting scheduled for 3/26, but would like to know if your team plans to keep this meeting as is, or will consider some alternatives, such as via conference call.

As it stands, I do not expect the application needs to be formally submitted until early May to keep within the 30-day timeline for processing a complete application. Will the adopted resolutions be sent on June 5?

Thanks,

Hi Perla,

At our last meeting, we initially agreed to meet again on Thursday, March 19. Unfortunately, we are no longer able to keep that date. Instead, I was wondering if we could meet instead on Thursday morning, March 26?

Thanks,

Hi Perla,

May I have the contact information for Dennis who attended the meeting last Thursday Feb 6? I don't seem to have his card and he isn't on the email correspondence. He asked for some GIS shapefiles and I need an email to send the link.

Thanks,
