Subject: Re: Baldwin Hills Mall Site - Development Application

Nothing has been submitted on this project. It's still the subject of litigation that hasn't been resolved.

Hi Luci

Debbie Lawrence thought you might be able to help me and sent me your contact information. I'm interested in what is going on at the Baldwin Hills Mall site. Back in 2018, the City approved a plan to modernize and redevelop the site. Do you know if the developer has submitted an application to begin construction on the site? Thank you for your time.
