Discussion with Alex Heide, WBMWD:

MWD monthly report on current water in storage = 3.0 MAF

MWD Status of updated IRP – released later in 2020

Status of 2020 Assessment of West Basin Wholesaler and Retailer Purchase Agreement. Alex is seeking guidance from WBMWD legal counsel on issuing letters to retailers on water supply reliability, Purchase Agreements and if needed.

Retailers are within Tier 1 Allocation – great for water resources planning and regional supply reliability. Checking WBMWD’s Administrative code on water service reliability (uninterruptable water service);
