Subject: Technical Data Request: Inglewood Basketball and Entertainment Center Project

Dear Ms. Wilcox,

South Coast AQMD staff is in the process of reviewing the Draft Environmental Impact Report (Draft EIR) for the Proposed Inglewood Basketball and Entertainment Center Project (South Coast AQMD Control Number: LAC191227-10). The public commenting period is from 12/27/19 – 02/10/20.

Upon review of the files available on the Proposed Project’s website as a part of the public review period, I was able to access Appendix D: Air Quality, which includes PDF versions of the CalEEMod, AERMOD, Health Risk Assessment, CMAQ and BenMAP-CE output files for the Proposed Project. Please provide an electronic copy of the live modeling files that were used to generate these output files (e.g., live input files), and any additional emission calculation spreadsheets used to quantify the air quality impacts, including health risk, from construction and/or operation of the Proposed Project.

You may burn the data onto a CD and send it to South Coast AQMD Attn: CEQA-Intergovernmental Review, to the address in my signature below. Or, you may send the above-mentioned documents via a Dropbox link in which they may be accessed and downloaded by South Coast AQMD staff **no later than January 9th, 2020**. For downloading purposes, please add Ms. Celia Diamond, at cdiamond@aqmd.gov, as our contact to access the Dropbox link.

Without all files and supporting documentation, South Coast AQMD staff will be unable to complete a review of the air quality analyses in a timely manner. Any delays in providing all supporting documentation will require additional time for review beyond the end of the comment period.

Thank you,

Alina Mullins
