Subject: IBEC Soils Discussion
Date: Wednesday, April 22, 2020 9:01:31 AM

Hello, all:

We had agreed to have a discussion with this group about the soils report prepared by EKI with James Yoon at 9:00 this morning; it appears that you did not receive the calendar invite for this meeting from me.

James and I are still available this morning; can we plan to start this meeting at 9:15 with the information below?
