RE: Inglewood Basketball and Entertainment Center Draft EIR

Dear Ms. Wilcox,

In a letter to you dated February 6, 2020, I expressed, as a resident of the City of Inglewood, certain observations and comments about the Inglewood Basketball and Entertainment Center Draft EIR ("DEIR"). As a point of clarification, I want to make it abundantly clear that the observations and comments expressed by me in this letter were done so for the sole purpose of showing my support of the City's CEQA team effort in providing a very detailed and comprehensive level of CEQA-mandated information in the DEIR and its dissemination to the general public providing for an informed evaluation and review of the DEIR and the proposed project.

Regards,

James T. Butts
