Hi Perla,

Thursday early afternoon would be best. I have another phone call in the morning. I do not work on Fridays.

Hi Alyson,

I understand that this is very short notice but could we set up a meeting for either Thursday or Friday? What is your availability?

Thanks,

Hi Perla,

I am checking in to see where your team is at in the process of gathering materials and filling out the ALUC application. When do you expect the application will be ready for submittal (as we are looking at a date of May 4 which is next week).

Since our physical office is closed for the time being, and mail is difficult to gather (someone goes there only once a week), it would be best to submit all large files directly to me either by email or via a Dropbox link (or both), and the application can be submitted through Regional Planning's online filing platform - and an invoice will be generated and mailed to you for payment.

Let me know if anyone on your team have any questions.
