Hi Brian, I confirmed with Royce that yes, all were acquired with the grants.

Subject: FAA Grant Question

Mindy,

Can you confirm whether the properties that make up the East Transportation Hub and Hotel Site, between West Century and 102nd Street, east of Doty, were acquired through the FAA AIP (noise mitigation) Grant Program?

Please let me know. I have tried to glean this from the grant applications themselves, but because of a lack of maps in some of them, I can't figure it out.

Thanks.

B
