Subject: RE: Hearing Preparation - Radius Map and List
Attachments: ProjHearing_BufferRingsDissolve.pdf; ProjHearing_BufferRings.pdf; ProjHearing_AddressList.xlsx

Hi Fred,

For you review and approval, please see the attached 500 foot radius maps. I have attached 2 maps one showing the dissolve buffer rings and the other showing individual buffer rings for each site. The attached address excel workbook contains individual address list sheets for each project site.

Should you have any questions or changes, let me know I can assist.

Best,

Elsa Moreno

Subject: RE: Hearing Preparation - Radius Map and List

Hi Elsa,

Yes, there are 4 project sites. Please run a 500 foot radius map and list for each project site.

Thanks,
Fred

Hi Fred,

I am doing good thank you! Hope everything is going well for you. Yes I can definitely assist. Based on the drawing you sent, I see that there are 4 project sites. Can you please confirm? If that is correct, you want me to run a 500ft radius from each project site. If the total project sites are a total of 4, I will start working on your request and email a draft early next week.

Best,

Elsa Moreno

Subject: Hearing Preparation - Radius Map and List

Hi Elsa,

I hope you're doing well?

We need your assistance preparing a radius notification map and list by next Thursday, May 14th. Attached is the project sites for which we need to notify all owners of property located within a five hundred foot radius of the exterior boundary of the subject properties.

We also need a separate list of the properties located within the sites.

Can you assist and provide by next Thursday, May 14th?

Thanks for the help!

Regards,
Fred

Fred,
Please coordinate with Elsa to have the radius notification map and list prepared. We need one list of the radius properties and a separate list of the properties located within the actual IBEC site. Please have her provide this by 5/14 at the latest. Thanks.

Respectfully,
