Hi Mindy,

The team requested that we start at 11:00 to go through the mundane changes, catch typos, etc. When the entitlements call concludes, everyone can jump over to my line at 12:00. We can wait to talk about more substantive edits like the MMRP until the complete team is on the phone. Sound okay?

Thanks,
Christina

Could we schedule this to start at 12? We have an entitlements meeting from 10-12.
