Subject: RE: ENA No. ---- for the IBEC Project

Here's my suggested language...

I hope this email finds you well and safe. Per our telephone conversation, it is our understanding that representatives of Murphy's Bowl LLC have requested Fire Department determination of fire flow requirements for the proposed Inglewood Basketball and Entertainment Center project. Please be advised that this project is subject to a current Exclusive Negotiation Agreement executed by the City in Summer 2017. An Environmental Impact Report, Development Agreement, and other Entitlements are currently under preparation for the proposed project. Within this context, we request that you proceed with the requested review. Please contact me if you have additional questions.
