GRANT DEED

FOR A VALUABLE CONSIDERATION, receipt of which is hereby acknowledged the CITY OF INGLEWOOD, a municipal corporation, herein called "**Grantor**," hereby grants to MURPHY'S BOWL LLC, a Delaware limited liability company, herein called "**Grantee**," the real property hereinafter referred to as the "**Property**," described in the document attached hereto, labeled Exhibit A and incorporated herein by this reference.

(1) Said Property is conveyed in accordance with and subject to the Disposition and Development Agreement (the "**DDA**") entered into by and among Grantor and Grantee on _____, 2020, which is by reference thereto incorporated herein as though fully set forth herein. The Property is a portion of the property referred to in the DDA as the "**Arena Site**." Any capitalized term not herein defined shall have the same meaning as set forth in the DDA.

(2) Said Property is conveyed subject to the Arena Use Agreement (City Parcels) (the "**Site Use Agreement**") entered into by and among Grantor and Grantee on [_____, 202_], during the term thereof, which is a public record on file in the offices of the City Clerk of the Grantor, was recorded in the property records of the Los Angeles County Recorder's Office on [____

_____, 202_, as instrument number _____], and is by reference thereto incorporated herein for the term thereof as though fully set forth herein.

(3) Grantee hereby covenants and agrees for itself, its successors, its assigns, and every successor in interest to the Property that Grantee, such successors and such assigns, agrees to (a) construct the Improvements on the Property as required by the DDA; (b) conduct all activities undertaken pursuant to the DDA in conformity with all applicable provisions of the DDA including without limitation the provisions and the limitations of the Scope of Development, the Inglewood Municipal Code and any other applicable requirements of any governmental agency affected by the Project's construction, development, or work; and (c) use the Property in conformity with and abide by the covenants and restrictions set forth in this Grant Deed and in the Site Use Agreement during the term thereof.

(4) Grantee, for itself and on behalf of its successors and assigns to all or any portion of the Property, or any interest therein, covenants and agrees that prior to the issuance of the Release of Construction Covenants as to the Property:

(a) The qualifications and identities of Grantee and its owner are of particular concern to Grantor. It is because of those unique qualifications and identities that Grantor has entered into the DDA with Grantee, and is imposing restrictions upon any Change of Control of Grantee and any Transfer until Grantor issues the Release of Construction Covenants as to the Property. No voluntary or involuntary successor in interest to Grantee shall acquire any rights or powers in the Property, except as expressly set forth herein, or under the DDA, except as expressly set forth therein.

(i) Grantee shall not (i) Transfer the Property, or any portion thereof, or any interest therein, to a third party (a "**Transferee**") without the prior written approval of Grantor (except for Transfers duly executed and deemed approved by Grantor as provided in the DDA), which such approval shall be given within fifteen (15) days if, in the reasonable determination of the Grantor, the proposed Transferee has the qualifications of a developer (including experience, character and financial capability) necessary to develop the Property, or (ii) effect any Change of Control by any method or means (except as the result of death or incapacity), without the prior written approval of Grantor, provided, however, such approval shall be given within five (5) business days if, in the reasonable determination of Grantor, Grantee after the Change in Control will have the qualifications of a developer (including experience, character and financial capability) necessary to develop the Property. Grantee shall promptly notify Grantor of any proposed Change in Control.

(ii) Any Transfer of the Property or any portion thereof or any interest therein, in violation hereof prior to the issuance of the Release of Construction Covenants as to the Property, shall entitle Grantor to the Excess Purchase Price resulting from such Transfer in accordance with the terms of the DDA.

MB Draft 4/29/20
Preliminary – For Negotiation Purposes

- (iii) Any Change of Control (voluntary or involuntary, except as the result of death or incapacity) of Grantor in violation hereof prior to the issuance of the Release of Construction Covenants as to the Property, Grantor will constitute a breach and entitle Grantor to terminate the DDA as to the Property.
 - (iv) The restrictions on a Transfer or Change of Control set forth herein shall terminate upon the issuance of the Release of Construction Covenants as to the Property.
- (b) Representatives of the City shall have a reasonable right of access to Property, upon two (2) business days' prior written notice to Grantee, without charges or fees, during normal construction hours for the purposes of inspection of the work being performed in constructing the Improvements. However, no such notice shall be required in the event of an emergency involving the Project Site or any portion thereof. Representatives of the Grantor shall be those who are so identified in writing by the City Manager of the City (or his/her designee) necessary for such construction inspection purposes. Such representatives shall also be responsible for providing any required written notice to Grantee. All activities performed on the Property by the City's representatives shall be done in compliance with all applicable laws, statutes, rules and regulations, and any written safety procedures, rules and regulations of Grantee and and/or its contractors, and shall not unreasonably interfere with the construction of the Improvements or the transaction contemplated by the DDA.
- (c) Grantee shall pay when due all real estate taxes and assessments assessed and levied on or against the Property. Grantee shall not place, or allow to be placed on the Property, any mortgage, trust deed, encumbrance or lien not authorized by or pursuant to the DDA or Paragraph [REF _Ref38890484 \r \h](d) below or not otherwise authorized by the Grantor. Grantee shall remove, or shall have removed, any levy or attachment made on the Property, or shall assure the satisfaction thereof within a reasonable time but in any event prior to a sale thereunder. Nothing herein contained shall be deemed to prohibit Grantee from contesting the validity or amount of any tax assessment, encumbrance or lien, nor to limit the remedies available to Grantee in respect thereto.
- (d) Mortgages, deeds of trust, conveyances and leasebacks, or any other form of conveyance required for any reasonable method of financing are permitted with respect to the Property prior to the recordation of the Release of Construction Covenants as to the Property, but only for the purpose of securing loans and funds to be used for financing the acquisition of the Project Site, or portion thereof as applicable, the construction of the Improvements on the Project Site, and any other expenditures necessary and appropriate to develop the Project Site or portion thereof as applicable, pursuant to the terms of the DDA. Grantee shall notify Grantor in advance of any mortgage, deed of trust, conveyance and leaseback, or other form of conveyance for financing if Grantee proposes to enter into the same before the recordation of the Release of Construction Covenants as

MB Draft 4/29/20
Preliminary – For Negotiation Purposes

to the Property. The words "mortgage" and "deed of trust" as used herein include all other appropriate modes of financing real estate acquisition, construction, and land development, including, without limitation, mezzanine financing.

- (e) Prior to the recordation of a Release of Construction Covenants as to the Property, if Grantee, after a thirty (30) day period following its receipt of notice of the existence of any such liens or encumbrances, has failed to challenge, cure or satisfy any such liens or encumbrances on the Property, the Grantor shall have the right to satisfy any such liens or encumbrances; provided, however, that nothing in this Paragraph [REF _Ref38890484 \r \h](e) or the DDA shall require Grantee to pay or make provisions for the payment of any tax, assessment, lien or charge so long as Grantee in good faith contests the validity or amount thereof, and so long as such delay in payment shall not subject the Property to forfeiture or sale.
 - (f) The covenants of Grantee set forth in this Paragraph [REF _Ref38890484 \r \h] shall remain in effect only until a Release of Construction Covenants has been recorded as to the Property.
- (5) Prior to the recordation of a Release of Construction Covenants issued by Grantor for the improvements to be constructed on the Property or on any part thereof:
- (a) Grantor shall have the right, at its sole option, which must be exercised, if at all, prior to the cure, to reenter and take possession of the Property hereby conveyed (or portion thereof) with all Improvements thereon, and to terminate and revest in Grantor the estate hereby conveyed (or portion thereof) to Grantee, if after conveyance of title and possession to the Property, and prior to the Release of Construction Covenants as to the Property, Grantee shall:
 - (i) fail to commence construction of the Improvements (recognizing that commencement of construction shall include any grading or other site preparation activities performed on the Property, by Grantee following conveyance) in accordance with the Schedule of Performance and within thirty (30) days following delivery of written notice of such failure by Grantor to Grantee, provided that Grantee has not obtained an extension or postponement of time pursuant to Section 605 of the DDA; or
 - (ii) abandon or substantially suspend construction of the Improvements on the Property for a period of nine (9) consecutive months and within thirty (30) days following delivery of following written notice of such abandonment or suspension has been given by Grantor to Grantee, provided Grantee has not obtained an extension or postponement of time pursuant to Section 605 of the DDA; or
 - (iii) Transfer or attempt to Transfer the DDA, or any rights therein, or suffer any involuntary transfer of the Project Site or any portion thereof in violation of this Grantee Deed or the DDA, and such violation shall not be

MB Draft 4/29/20
Preliminary – For Negotiation Purposes

cured within thirty (30) days following delivery of written notice of such failure by Grantor to Grantee.

- (b) The right to reenter, repossess, terminate and revest, and the provisions below regarding the application of proceeds, shall be subject to and be limited by and shall not defeat, render invalid, or limit:
 - (i) any mortgage, deed of trust, or other security interest permitted by Paragraph [REF _Ref38890484 \r \h](d) of this Grant Deed or the DDA; or
 - (ii) any rights or interests provided in this Grant Deed or the DDA for the protection of the holders of such mortgages, deeds of trust, or other security interests.
- (c) The right to reenter, repossess, terminate and revest shall not apply to the Property, or portions thereof, on which any Improvements to be constructed thereon have been completed in accordance with the DDA and for which a Release of Construction Covenants has been recorded as provided in the DDA.
- (d) Subject to the rights of the holders of security interests as stated in subparagraphs [REF _Ref38890662 \r \h](b)(i) and (ii) above, upon the revesting in Grantor of title to the Property, as provided in this Paragraph [REF _Ref38890662 \r \h], Grantor shall use commercially reasonable efforts to resell the Property as soon and in such manner as Grantor shall find feasible to maximize the value thereof to a qualified and responsible party or parties (as determined by Grantor in its reasonable discretion), who will develop the Property and not re-sell the Property prior to such development or hold the Property for speculation in land. Upon such resale of the Property, or any part thereof, and satisfaction of obligations owed to the holder of any mortgage, deed of trust or other security interest authorized by the DDA, the proceeds thereof shall be applied:
 - (i) First, to reimburse Grantor, for all reasonable costs and expenses incurred by Grantor arising from and after such revesting in Grantor, including but not limited to fees of consultants engaged in connection with the recapture, management, and resale of the Property (but less any income derived by Grantor from the sale of the Property in connection with such management); all taxes, assessments and water and sewer charges with respect to the Property (or, in the event the Property is exempt from taxation or assessment or such charges during the period of Grantor ownership, then such taxes, assessments, or charges, as would have been payable if the Property was not so exempt); any payments made or necessary to be made to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults, or acts of Grantee; and any amounts otherwise owing to Grantor by Grantee; and

MB Draft 4/29/20
Preliminary – For Negotiation Purposes

- (ii) Second, to reimburse Grantee up to the amount equal to (1) the Purchase Price for the Property; and (2) the hard and soft costs reasonably incurred for the construction of the Improvements and development of the Property, less (3) any gain or income withdrawn or made by Grantee therefrom or from the improvements thereon attributable to the Property.
 - (iii) Any balance remaining after such reimbursements shall be retained by the Grantee as its property.
- (e) For avoidance of doubt, the Grantor's exercise of its rights under this Paragraph [REF _Ref38890662 \r \h] shall be its sole and exclusive remedy for the conditions described in the foregoing subparagraphs [REF _Ref38890662 \r \h](a)(i)-(iii) and such reverter rights shall only be applicable to the Property. To the extent that the right established in this Paragraph [REF _Ref38890662 \r \h] involves a forfeiture, it must be strictly interpreted against Grantor, the party for whose benefit it is created. The rights established in this Paragraph [REF _Ref38890662 \r \h] are to be interpreted in light of the fact that Grantor hereby conveys the Property to Grantee for development and not for speculation in undeveloped land.
- (6) Grantee herein covenants by and for itself, its successors, its assigns, and all persons claiming under or through them that there shall be no discrimination against or segregation of any person or group of persons on account of sex, sexual orientation, marital status, race, color, creed, religion, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the land herein conveyed, nor shall Grantee itself or any person claiming under or through it, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the land herein conveyed. The foregoing covenants shall run with the land.
- (7) All deeds, leases or contracts made relative to the Property, improvements thereon, or any part thereof, shall contain or be subject to substantially the following nondiscrimination or nonsegregation clauses:
- (a) In deeds: "The grantee herein covenants by and for itself, its successors and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of sex, sexual orientation, marital status, race, color, creed, religion, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the land herein conveyed, nor shall the grantee itself or any person claiming under or through it, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the land herein conveyed. The foregoing covenants shall run with the land."

MB Draft 4/29/20
Preliminary – For Negotiation Purposes

- (b) In leases: "The lessee herein covenants by and for itself, its successors and assigns, and all persons claiming under or through them, and this lease is made and accepted upon and subject to the following conditions:

"That there shall be no discrimination against or segregation of any person or group of persons, on account of sex, sexual orientation, marital status, race, color, creed, religion, national origin or ancestry in the leasing, subleasing, renting, transferring, use, occupancy, tenure or enjoyment of the land herein leased, nor shall lessee itself, or any person claiming under or through it, establish or permit such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, sublessees, subtenants, or vendees in the land herein leased."

- (c) In contracts: "There shall be no discrimination against or segregation of any person or group of persons on account of sex, sexual orientation, marital status, race, color, religion, creed, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the land, nor shall the transferee itself or any person claiming under or through it, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees of the land."

(8) All conditions, covenants and restrictions contained in this Grant Deed shall be covenants running with the land, and shall, in any event, and without regard to technical classification or designation, legal or otherwise, be, to the fullest extent permitted by law and equity, binding for the benefit and in favor of, and enforceable by Grantor, its successors, and assigns, against Grantee, its successors and assigns, to or of the Property conveyed herein or any portion thereof or any interest therein, and any party in possession or occupancy of said Property or portion thereof.

(9) The conditions, covenants and restrictions contained in Paragraphs [REF _Ref39062853 \r \h](a) and (b), [REF _Ref38890484 \r \h] and [REF _Ref38890662 \r \h] of this Grant Deed shall terminate and become null and void upon recordation of a Release of Construction Covenants issued by Grantor for the Property. The covenants against discrimination set forth in Paragraphs [REF _Ref38890759 \r \h] and [REF _Ref38890760 \r \h] of this Grant Deed shall remain in perpetuity.

(10) In amplification of and not in restriction of the provisions set forth hereinabove, it is intended and agreed that Grantor shall be deemed a beneficiary of the agreements and covenants provided hereinabove both for and in its own right and also for the purposes of protecting the interests of the community. All covenants without regard to technical classification or designation shall be binding for the benefit of Grantor, and such covenants shall run in favor of Grantor for the entire period during which such covenants shall be in force and effect, without regard to whether Grantor is or remains an owner of any land or interest therein to which such covenants relate. Grantor shall have all rights of enforcement and remedies provided in this Grant Deed and the DDA and may bring any actions at law or suit in equity or other proper proceedings necessary to enforce the curing of such breach of any agreement or covenant by

Preliminary – For Negotiation Purposes

Grantee available to Grantor pursuant to the provisions of this Grant Deed; recognizing that Grantor and Grantee have determined that monetary damages are an inappropriate remedy for any default hereunder and Grantor has waived any right to damages.

(11) No violation or breach of the covenants, conditions, restrictions, provisions or limitations contained in this Grant Deed shall defeat or render invalid or in any way impair the lien or charge of any mortgage or deed of trust or security interest permitted by Paragraph [REF _Ref38890484 \r \h](d) of this Grant Deed; provided, however, that any subsequent owner of the Property shall be bound by such remaining covenants, conditions, restrictions, limitations, and provisions, whether such owner's title was acquired by foreclosure, deed in lieu of foreclosure, trustee's sale or otherwise.

(12) None of the terms, covenants, agreements or conditions heretofore agreed upon in writing in other instructions between the parties to this Grant Deed with respect to obligations to be performed, kept or observed by Grantee or Grantor in respect to said Property or any part thereof after this conveyance of said Property shall be deemed to be merged with this Grant Deed until such time as a Release of Construction Covenants issued by Grantor is recorded for the Property conveyed hereby or such part thereof

(13) The covenants contained in this Grant Deed shall be construed as covenants running with the land and not as conditions that might result in forfeiture of title, except for the covenant and condition contained in Paragraph [REF _Ref38890662 \r \h] of this Grant Deed.
