Join us to discuss important new updates and exciting next steps!

Dear Inglewood Game Changer Champion,

First and foremost, we hope that you and your loved ones are staying safe and healthy during these difficult times.

As you may know, Clippers owner Steve Ballmer finalized the purchase of the Forum last month, which effectively eliminates a major legal hurdle for the new Clippers arena project. It's exciting news because that puts the Clippers on track to build their new world-class arena complex in Inglewood, which is scheduled to open in 2024.

Under normal circumstances, we'd host a festive gathering to celebrate this achievement and discuss next steps towards project approval. However, because the ongoing COVID-19 pandemic continues to discourage us from gathering in person, we decided to go with the next best thing – a virtual update presented by Gerard McCallum.

We're hoping you'll join us for a special **Zoom update** this upcoming **Monday, June 15th, 6PM**.

If you'd like to join us for this event, please RSVP [here](#). Once you RSVP, you'll receive an email with instructions on how to join via Zoom and/or by phone.

We realize there's a lot going on in our world right now, so we hope you'll take a moment to sit back, savor this milestone and hear about next steps.

Sincerely,

The Clippers Arena Outreach Team
