Subject: RE: Lobby Access for Document Review (IBEC-Inglewood Basketball and Entertainment Center)

Hi Emory,

Thanks for confirming this morning that you had already spoken with the front desk security staff yesterday about public access to the Final Environmental Impact Report. As discussed, per your staff no one has come by to review yet since the document was put out last Thursday. Thank you for keeping a sign-in sheet for anyone that does come by. I forgot to tell you also that the document will need to be out thru the end of June 17. Someone will be by on June 18 to pick-up and put away the table. Thanks again for your assistance and feel free to call my cell if you need to reach me.

Respectfully,

Mindy,

I will advise them Monday morning. If you be so kind to remind me to advise my officers Monday, it would be appreciated.

Good day Emory,

As you may know, we set out a table in the lobby yesterday with the Final Environmental Impact Report for the IBEC project, for anyone from the public to review. I wanted to confirm that while City Hall is open for appointments, the staff at the 1st Floor Lobby Information Desk will allow access to anyone who comes to City Hall to view the document, during City business hours, whether they have an appointment or not? Please confirm. Thanks very much.
