Subject: IBEC: Chapter 4 MMRP proposed revisions
Attachments: 4.0 MMRP Table 7.2.2020.docx; FEIR Chapter 4 MMRP 7.1.2020.docx

Hello, all

Please find attached proposed revisions to the Chapter 4 MMRP for the IBEC Project, shown in tracked changes, for consideration by the City.

The proposed edits to the text of Chapter 4, attached as a separate document, clarify the party responsible for implementation of certain mitigation measures. The proposed edits to the MMRP table are intended to standardize terms, clarify implementation of measures and timing, or for internal consistency. Note that these proposed edits reflect a global change to "ECDD" as the abbreviation for the Economic & Community Development Department. With the exception of the ECDD changes, all measures with proposed edits are highlighted in the attached version of the table.

Thanks,
Dennis
