LAND USE COMMISSION REVIEW OF INGLEWOOD BASKETBALL
AND ENTERTAINMENT CENTER; JULY 1, 2020 ITEM NO. 5**

On July 1, 2020 your Commission, as the Airport Land Use Commission (ALUC), will hold a public hearing to review the proposed Inglewood Basketball and Entertainment Center project, a development project with recreational, commercial, lodging, and parking components. The project proposes a General Plan amendment, a Specific Plan amendment, a Zoning Code amendment, and Zone Changes, as well as Design Guidelines and Development Agreement. Pursuant to Section 1.5.1(a) of the ALUC Review Procedures, a general or specific plan amendment or a zoning regulation that affect property within an Airport Influence Area of an airport in Los Angeles County must be referred to ALUC for review for a consistency determination with all applicable Airport Land Use Compatibility Plans within Los Angeles County.

The project materials are available online at the following website:
