Subject: FW: Clipper Arena Command Center Zoom Meeting 10:00AM

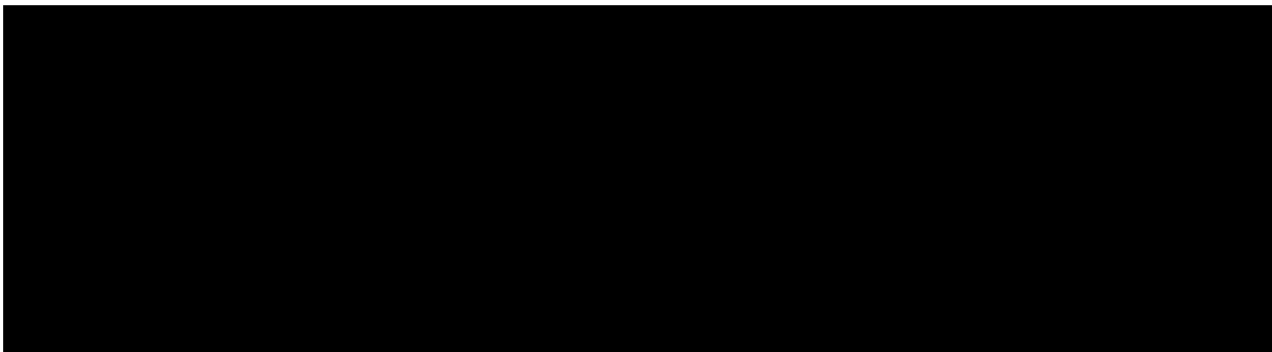

Public works has called for this meeting to discuss the command center and requirements for the new Clipper Arena scheduled to open on 2024. They wanted to get a head start on the planning so we are not playing catchup like with the stadium. We will be at the 2nd floor of the City Yard conference room. I had a zoom meeting created for those not able to attend in person.

Jeff
