### Opinion: Can Working Parents Still Teach Their Kids at Home?

By Steve Kim

As parents, we want the best for our children. We want them to be successful and to have a good education. But with so many parents working, it's becoming increasingly difficult to do so.

Working parents face many challenges when it comes to teaching their children at home. They have less time to spend with their children and may not have the resources or knowledge to do so effectively.

It's important for parents to find ways to overcome these challenges and to provide their children with the best possible education.
