### Opinion: Can Working Parents Still Teach Their Kids at Home?

Can working parents still teach their kids at home? This is a question that many parents are asking. The answer is yes, but it is not always easy. Working parents have a lot of responsibilities, and it can be difficult to find time to spend with their kids. However, there are ways to make it work. Parents can set boundaries, create a routine, and make the most of their time with their kids.
