Opinion: Can Working Parents Still Teach Their Kids at Home?

Working parents face a dilemma: How can they ensure their children receive a quality education while also providing for their families?

The challenge is to find a balance between work and family. Many parents are turning to home schooling as a solution.

Home schooling allows parents to tailor their children's education to their needs. It also allows parents to spend more time with their children.

However, home schooling also has its challenges. Parents must ensure their children receive a well-rounded education.
