## Clippers Arena in Inglewood Cleared to Go

The construction of the project will include a world-class basketball arena, practice facility and team offices for the L.A. Clippers.

Clippers arena project cleared to go. From left, Mayor Tom Bradley, City Councilman Tom LaTurner and Clippers arena project architect.

By Tom LaTurner

The City of Inglewood has approved the construction of a new arena for the Los Angeles Clippers. The arena will be located on the site of the former Inglewood Forum and will include a world-class basketball arena, practice facility and team offices for the L.A. Clippers.

The arena will be a state-of-the-art facility that will provide a world-class experience for fans and players alike. The arena will be the centerpiece of the new Clippers arena project and will be a major addition to the Inglewood sports and entertainment district.

## Opinion: Can Working Parents Still Teach Their Kids at Home?

By Tom LaTurner

As a parent, you know that your children are your future. You want to give them the best possible education and the best possible start in life. But what if you are a working parent? Can you still teach your children at home?

The answer is yes, you can. There are many ways to provide a quality education for your children at home. You can hire a tutor, use online resources, or even teach your children yourself. The key is to be committed and to provide a supportive learning environment.

Working parents can still provide a quality education for their children at home. The key is to be committed and to provide a supportive learning environment. There are many ways to do this, and the most important is to be involved in your children's education.
