Opinion: Can Working Parents Still Teach Their Kids at Home?

As parents, we want the best for our children. We want them to be successful and happy. But what if we are working parents? Can we still teach our kids at home? This is a question that many parents are asking. The answer is not a simple one. It depends on the parent and the child. Some parents are able to balance work and home life, while others struggle. The key is to find a way to make it work for your family.
