## Opinion: Can Working Parents Still Teach Their Kids at Home?

By Steve Kim

As a parent, you know your child's education is one of the most important things you can do for them. But what if you're a working parent? Can you still teach your child at home?

The answer is yes, but it's not always easy. Working parents often have less time to spend with their children, which can make it difficult to teach them at home. However, there are ways to make it work.
