## Clippers Arena in Inglewood Cleared to Go

The announcement of the project will include a world-class basketball arena, practice facility and team offices for the L.A. Clippers.

Mayor Frazier, Clippers owner Steve Ballmer and Clippers arena architect HOK USA Architects' Tom Kelly are seen at the announcement of the arena project.

By Steve Kim

It's a deal that will change the face of Inglewood. The city has approved a \$1.2-billion arena project that will include a world-class basketball arena, practice facility and team offices for the L.A. Clippers.

The arena will be a landmark project, one that will bring a new level of excitement to the city. The arena will be a landmark project, one that will bring a new level of excitement to the city.

## Opinion: Can Working Parents Still Teach Their Kids at Home?

By Steve Kim

As a parent, you know your child's education is a top priority. But with the demands of a full-time job, it can be challenging to find the time and resources to provide a quality education at home.

The challenge is not just finding time, but also finding the right resources and support. There are many options available, from online courses to private tutors, but it's important to find what works best for your child and your family.
