Opinion: Can Working Parents Still Teach Their Kids at Home?

By Steve Kim

Can working parents still teach their kids at home? This is a question that many parents are asking. The answer is yes, but it requires a lot of planning and resources.

Working parents can still teach their kids at home. It requires a lot of planning and resources. Parents need to create a schedule that works for both the parent and the child. They also need to have a variety of educational materials available.
