**RE: Authorizing D&D Engineering to obtain record plans of existing water mains from Golden State Water Company for preparing plans for the Inglewood 27-inch raw water transmission main relocation on 102<sup>nd</sup> Street project (the new Clippers Arena).**

Dear Sir:

City of Inglewood authorizes D&D Engineering, Inc. to obtain the existing and proposed underground substructure drawings showing size and location of all facilities and/or utilities within the boundary limits of Century Blvd. to 103<sup>rd</sup> Street and Freeman Avenue to Doty Avenue. The information is required for the purpose of creating construction drawings for underground utilities to proposed developments in the vicinity.

Should you have any question, please contact Thomas Lee of Inglewood Public Works Department at (310)412-5333 for this authorization. For drawings request question, please contact Boris Tantchev of D&D Engineering directly at (424)351-6800. Thank you.

Sincerely,
