Good morning Walter,

Per Bettye R. Griffith, RSI Director, we have a thumb drive we can take to you to load the information requested from LAWA regarding close-out reports from properties purchased with part LAWA funds in relationship to the Clipper Arena (as the Dropbox file has expired). Please contact us at extension 5289 so that we can take the drive to you (voicemail message was left yesterday afternoon 8.17.20).

Thank you.
