Good Afternoon Al,

Given the question regarding Property Acquisition Program Close-out documentation, we have assigned City staff members with the task of going through all boxes left from our eliminated Redevelopment Department in search of Close-out documentation for the Property Acquisition Program. None of the former Redevelopment staff currently work for the Agency, therefore, making the task of locating these documents much more challenging. We will get back with you as soon as this task has been completed to set-up a date that is convenient.

Thanks

Hi Al,

June 4 would be best as Fridays are a bit harder to schedule since Raha and I have opposite Fridays off. Also available June 1, 2 or 8.

Hi Kathryn,

No worries. I just sent an email to folks at Inglewood to set a meeting. I gave them dates of May 29, June 4 or June 5.

Would these dates work for LAWA?
