Hi Josh,

I hope I did it right. I just uploaded three (3) documents that are to be posted together as one whole document and it is my understanding that it should be posted on the City Clerk's page.

Please let me know if I need to reload the information.

Thank you,

Good morning Josh,

How are you doing? When you have a moment, can you please explain to me by what you meant when you said to let you know how it should be posted online? Should Chris ask what you mean by that I want to be able to explain it to him.

Thank you,

Good afternoon Josh,

How are you doing? I left you a message today at 3:50 pm, regarding some information that we would like to have posted on the City's website. One of the documents is very large in size, so I was calling to see if either you can come here to pick up the memory stick that contains the documents that we would like to have posted or it can be dropped off to you. Once those documents have been uploaded, we do ask that memory stick is returned to either myself or Chris.

Please give me a call at ext. 5672 to let me know if and when you are available so that we can get this information to you. Your assistance would be greatly appreciated.

Thank you,
