**Subject:** Clippers New Arena: Sign Up for Exclusive Access

Bettye,

The Inglewood Basketball and Entertainment Center (IBEC) received final approval today from the Inglewood City Council, with the approval of the contract to purchase the publicly owned land for the world-class campus that will include an 18,000-seat basketball arena, team practice facility and corporate offices for the L.A. Clippers. The team's new home will be a one-of-a-kind facility that will set a new standard for live experiences. IBEC will be uniquely designed to prioritize fan comfort and ease, player experience, home court advantage, and community. The project is expected to break ground in summer 2021, and be open for the start of the 2024-25 NBA season.

Be the first to know about IBEC development and opportunities. Click below to sign up for early access to season tickets and first-in-line-privileges to experiences IBEC will offer.
