Hi John,

Wanted to send a quick note to see if you have started to develop a plan for the Clippers Arena – Glumac would be thrilled to play a similar role to what we have been doing for LASED.

Hope you have a great long weekend!

Your partner,
Nick

Hi Mandhir,

Hope you are well – hearing you put some great measures in place at your office.

Wanted to check in on the Clippers Arena, hearing that will be moving forward. Would you be willing to consider Glumac to support your team on the Clippers project? It has been great to work together on LASED and would love the opportunity to continue working together.

Here to succeed together,
Better together,
Nick
