EXHIBIT A

Legal Description of Property

THE LAND REFERRED TO HEREIN IS SITUATED IN THE CITY OF INGLEWOOD, STATE OF CALIFORNIA, COUNTY OF LOS ANGELES, AND IS DESCRIBED AS FOLLOWS:

[To be inserted]
EXHIBIT B

Public Use Restrictions

For a period of twenty (20) years following the recordation of a Release of Construction Covenants for the Property (the "Term"), Grantee, on behalf of its successors, assigns, and each successor in interest to Grantee's interest in the Property or any part thereof, hereby covenants and agrees that Grantee shall not use the Property for any purpose other than:

(i) to provide the public with access to amusement, enjoyment, and recreation in the form of spectator sports, including basketball, entertainment and other civic events and activities (collectively, the "Arena Use"); or

(ii) such other uses reasonably related and incidental to the Arena Use, including, without limitation, restaurant, food service, retail and other public serving uses, philanthropic activities, ancillary and administrative office uses, plaza and concourse area uses, practice and training facilities, a sports medicine clinic and parking uses.

The foregoing shall individually, or collectively, as applicable, be referred to as the "Public Use Restrictions". The Public Use Restrictions as set forth in this Exhibit B shall terminate and become null and void upon the expiration of the Term. The Public Use Restrictions shall not be interpreted to prohibit or restrict the use of the Arena Site for paid ticketed events.

If Grantee violates the Public Use Restrictions as established above following recordation of the Release of Construction Covenants and prior to the expiration of the Term, Grantor shall serve written notice to the Grantee of such violation. If Grantee fails to cure said violation within thirty (30) days after receipt of notice from the Grantor ("Cure Notice"), then the Grantee shall promptly, but in no event later than three (3) months from receipt of the Cure Notice, take all necessary actions to re vest title and possession of the Property (with all improvements thereon) in the Grantor and reimburse the Grantor for all reasonable costs incurred by the Grantor with respect to the re vesting of title and possession.

In the event Grantee requests a change in the Public Use Restriction, Grantor, may, it is sole discretion, approve or disapprove such request within thirty (30) days following such request. Upon the approval of such request, Grantor shall take all necessary steps to authorize such alternative and acceptable public use and modify this Grant Deed to implement such authorization. However, in the event that a resolution has been adopted authorizing a different public use on the property described in that certain Public Use Grant Deed for Private Parcels within the Arena Site (in the form attached to DDA as Attachment No. 7-B), Grantor shall grant the same alternative public use on the Property.

Following Grantor's re-entry, repossession, termination, and re vesting of title and possession of the Property, Grantor shall dispose of the Property in accordance with the requirements of applicable law, as soon as reasonably possible. Upon such disposition of the Property, any proceeds thereof shall be applied in the following order:

(i) First, to repay any mortgage, deed of trust, or other security interest encumbering the Property.
(ii) Second, with any available balance, to reimburse Grantor for all reasonable costs and expenses incurred by Grantor in connection with such sale; all taxes, assessments and water and sewer charges with respect to the Property; any payments made or necessary to be made to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults, or acts of Grantee; and any amounts otherwise owing to Grantor by Grantee;

(iii) Third, with any available balance, to reimburse Grantee the amount equal to (a) the Purchase Price paid for the Property; and (b) the Arena Development Costs, as set forth in the Release of Construction Covenants, divided by the square footage of the land area of the Arena Site and multiplied by the square footage of the land area of the Property; and

(iv) Finally, any balance remaining after such reimbursements shall be split between Grantor and Grantee, 10% and 90%, respectively.

The Grantor’s exercise of its rights under this Exhibit B shall be its sole and exclusive remedy for the violation of the Public Use Restrictions and such reverter rights shall only be applicable to the Property. To the extent that the right established in this Exhibit B involves a forfeiture, it must be strictly interpreted against Grantor, the party for whose benefit it is created. However, it is acknowledged by the Grantee that the rights established by this Exhibit B are to be interpreted in light of the fact that the Property is being conveyed by Grantor to Grantee for a public use as set forth hereinabove.

Notwithstanding any other provision of this Exhibit B, mortgages and deeds of trust, and any other reasonable method of security instruments are permitted to be placed upon the Property. Mortgages, deeds of trust, or other reasonable security instruments securing financing with respect to the Property are each referred to herein as a “Security Interest”. The words “mortgage” and "deed of trust" as used in this Exhibit B shall include all other appropriate modes of financing real estate acquisition, construction and land development. No violation or breach of the Public Use Restrictions shall defeat or render invalid the lien or charge of any Security Interest, provided, however, that any subsequent owner of the Property shall be bound by the Public Use Restrictions for the Term, whether such owner’s title was acquired by foreclosure, deed in lieu of foreclosure, trustee’s sale or otherwise. Grantor shall afford any holder of the beneficial interest under such Security Interest (the "Mortgagor") the mortgagee protections provided for in this Exhibit B.

A Mortgagor not in legal possession of the Property or any portion thereof shall not be subject to the obligations or liabilities of Grantee under this Exhibit B. A Mortgagor in legal possession of the Property or portion thereof shall only be entitled to use the Property if Mortgagor fully complies with the Public Use Restrictions.

Whenever the Grantor delivers any notice or demand to Grantee with respect to the occurrence of any violation of the Public Use Restrictions, the Grantor shall at the same time deliver to each Mortgagee who has requested to receive notices or demands from the Grantor, a copy of such notice or demand. After receipt of such notice, each such Mortgagee shall (insofar as the rights of the Grantor are concerned) have the right, but not the obligation, at its option, within the same cure period afforded to Grantee hereunder plus thirty (30) days, to cure or remedy or commence to cure or remedy any such violation affecting the Property which is subject to the Security
Interest held by such Mortgagee and to add the cost thereof to the security interest debt and the lien on its security interest; provided, however, if cure cannot be accomplished within such 30-day period, such Mortgagee shall have the right to commence to cure such failure within such 30-day period and thereafter diligently prosecute such cure within a reasonable time. If such violation shall be a default which can only be remedied or cured by such Mortgagee upon obtaining possession of the Property or other asset subject to the Security Interest, and such Mortgagee has elected to remedy or cure such default upon written notice to the Grantor confirming its intention, upon obtaining possession, to comply with the Public Use Restrictions, such Mortgagee shall seek to obtain possession of the Property or other asset with diligence and continuity through foreclosure, deed in lieu of foreclosure or such other procedure as the Mortgagee may elect, and such Mortgagee, or such successor-in-interest to Grantee who acquires the Property by way of such foreclosure, deed in lieu of foreclosure or such other procedure, shall remedy or cure such default within ninety (90) days after obtaining possession; provided, however, if cure cannot be accomplished within such 90-day period, such Mortgagee or successor-in-interest shall have the right to commence to cure such failure within such 90-day period and thereafter diligently prosecute such cure within a reasonable time. In addition, in the event that, due to a default by Grantee under the applicable Security Interest, a Mortgagee seeks to obtain possession of the Property or other asset with diligence and continuity through foreclosure, deed in lieu of foreclosure or such other procedure as the Mortgagee may elect at any time prior to the date that the Grantor has the right to exercise its remedies above, then the Grantor shall not have the right to exercise its remedies above until the date that is three (3) months following the date that the Mortgagee or such other successor-in-interest acquires possession or title to the Property.

However, notwithstanding anything contained above to the contrary, in the event the Mortgagee rights and protections are found by a court of law to be inconsistent with applicable legal requirements, such rights and protections shall be appropriately revised or eliminated to conform with such court order.

Notwithstanding any provision of this Exhibit B to the contrary, Grantee and Grantor shall be excused from performing any obligation or undertaking provided in this Exhibit B in the event of, and so long as the performance of any such obligation is prevented or delayed, retarded or hindered by, a(n) act of God, fire, earthquake, flood, explosion, epidemic, pandemic, action of the elements, war, invasion, insurrection, riot, mob violence, sabotage, inability to procure or general shortage of labor, equipment, facilities, materials or supplies in the open market, failure of transportation, strikes, lockouts, condemnation, requisition, applicable law, litigation, orders of governmental, civil, military or naval authority, or any other cause, whether similar or dissimilar to the foregoing, not within the control of the party claiming the extension of time to perform.

Upon notification of any maintenance deficiency, Grantee shall have thirty (30) days within which to correct, remedy, or cure the deficiency (except for graffiti which shall be removed within 24 hours from notification), unless such deficiency cannot be reasonably corrected, remedied or cured within such period, in which case, such period shall be extended for such time as is necessary to accomplish the same provided that Grantee is diligently pursuing such correction, remedy, or cure.

(4) Grantee, for itself and on behalf of its successors and assigns to all or any portion of the Property, or any interest therein, covenants and agrees that prior to the recordation of the Release of Construction Covenants as to the Property:

(a) The qualifications and identities of Grantee and its owner are of particular concern to Grantor. It is because of those unique qualifications and identities that Grantor has entered into the DDA with Grantee, and is imposing restrictions upon any Change of Control of Grantee and any Transfer until Grantor issues the Release of Construction Covenants as to the Property. No voluntary or involuntary successor in interest to Grantee shall acquire any rights or powers in the Property, except as expressly set forth herein, or under the DDA, except as expressly set forth therein.

Grantee shall promptly notify Grantor of any proposed Change in Control.

(ii) Any Transfer of its interest in the Property or any portion thereof, in violation hereof prior to the recordation of the Release of Construction Covenants as to the Property, shall entitle Grantor to the Excess Purchase Price resulting from such Transfer in accordance with the terms of the DDA.

(iii) Any Change of Control (voluntary or involuntary, except as the result of death or incapacity) of Grantor in violation hereof prior to the recordation of the Release of Construction Covenants as to the Property, Grantor will constitute a breach and entitle Grantor to terminate the DDA as to the Property.

(iv) The restrictions on a Transfer or Change of Control set forth herein shall terminate upon the recordation of the Release of Construction Covenants as to the Property.

(b) Representatives of the City shall have a reasonable right of access to Property, upon two (2) business days' prior written notice to Grantee, without charges or fees, during normal construction hours for the purposes of inspection of the work being performed in constructing the Improvements. However, no such notice shall be required in the event of an emergency involving the Project Site or any portion thereof. Representatives of the Grantor shall be those who are so identified in writing by the City Manager of the City (or his/her designee) necessary for such construction inspection purposes. Such representatives shall also be responsible for providing any required written notice to Grantee. All activities performed on the Property by the City's representatives shall be done in compliance with all applicable laws, statutes, rules and regulations, and any written safety procedures, rules and regulations of Grantee and and/or its contractors, and shall not unreasonably interfere with the construction of the Improvements or the transaction contemplated by the DDA.

(c) Grantee shall pay when due all real estate taxes and assessments assessed and levied on or against the Property. Grantee shall not place, or allow to be placed on the Property, any mortgage, trust deed, encumbrance or lien not authorized by or pursuant to the DDA or Paragraph (4)(d) below or not otherwise authorized by the Grantor. Grantee shall remove, or shall have removed, any levy or attachment made on the Property, or shall assure the satisfaction thereof within a reasonable
time but in any event prior to a sale thereunder. Nothing herein contained shall be deemed to prohibit Grantee from contesting the validity or amount of any tax assessment, encumbrance or lien, nor to limit the remedies available to Grantee in respect thereto.

(d) Mortgages, deeds of trust, conveyances and leasebacks, or any other form of conveyance required for any reasonable method of financing are permitted with respect to the Property prior to the recordation of the Release of Construction Covenants as to the Property, but only for the purpose of securing loans and funds to be used for financing the acquisition of the Project Site, or portion thereof as applicable, the construction of the Improvements on the Project Site, and any other expenditures necessary and appropriate to develop the Project Site or portion thereof as applicable, pursuant to the terms of the DDA. Grantee shall notify Grantor in advance of any mortgage, deed of trust, conveyance and leaseback, or other form of conveyance for financing for Grantor written approval if Grantee proposes to enter into the same before the recordation of the Release of Construction Covenants as to the Property. The words "mortgage" and "deed of trust" as used herein include all other appropriate modes of financing real estate acquisition, construction, and land development, including, without limitation, mezzanine financing.

(e) Prior to the recordation of a Release of Construction Covenants as to the Property, if Grantee, after a thirty (30) day period following its receipt of notice of the existence of any such liens or encumbrances, has failed to challenge, cure or satisfy any such liens or encumbrances on the Property, the Grantor shall have the right to satisfy any such liens or encumbrances, provided, however, that nothing in this Paragraph (4)(e) or the DDA shall require Grantee to pay or make provisions for the payment of any tax, assessment, lien or charge so long as Grantee in good faith contests the validity or amount thereof, and so long as such delay in payment shall not subject the Property to forfeiture or sale.

(f) The covenants of Grantee set forth in this Paragraph (4) shall remain in effect only until a Release of Construction Covenants has been recorded as to the Property.

(5) Prior to the recordation of a Release of Construction Covenants issued by Grantor for the improvements to be constructed on the Property or on any part thereof:

(a) Grantor shall have the right, at its option, which must be exercised, if at all, prior to the cure, to reenter and take possession of the Property hereby conveyed with all Improvements thereon, and to terminate and revesit in Grantor the estate hereby conveyed to Grantee, if after conveyance of possession to the Property, and prior to the Release of Construction Covenants as to the Property, Grantee shall:

(i) fail to commence construction of the Improvements (recognizing that commencement of construction shall include any grading or other site preparation activities performed on the Property, by Grantee following conveyance) in accordance with the Schedule of Performance and within
City Final 8/25/2020

thirty (30) days following delivery of written notice of such failure by Grantor to Grantee, provided that Grantee has not obtained an extension or postponement of time pursuant to Section 605 of the DDA; or

(ii) abandon or substantially suspend construction of the Improvements on the Property for a period of nine (9) consecutive months and within thirty (30) days following delivery of following written notice of such abandonment or suspension has been given by Grantor to Grantee, provided Grantee has not obtained an extension or postponement of time pursuant to Section 605 of the DDA; or

(iii) Transfer or attempt to Transfer the DDA, or any rights therein, or suffer any involuntary transfer of the Project Site or any portion thereof in violation of this Grant Deed or the DDA, and such violation shall not be cured within thirty (30) days following delivery of written notice of such failure by Grantor to Grantee.

(b) The right to reenter, repossess, terminate and re vest shall not defeat or render invalid any payment obligations with respect to:

(i) any mortgage, deed of trust, or other security interest permitted by Paragraph (4)(d) of this Grant Deed or the DDA; or

(ii) any rights or interests provided in this Grant Deed or the DDA for the protection of the holders of such mortgages, deeds of trust, or other security interests.

(c) The right to reenter, repossess, terminate and re vest shall not apply to the Property on which any Improvements to be constructed thereon have been completed in accordance with the DDA and for which a Release of Construction Covenants has been recorded as provided in the DDA.

(d) Subject to the rights of the holders of security interests as stated in subparagraphs (5)(b)(i) and (ii) above, upon the revesting in Grantor of possession to the Property, as provided in this Paragraph (5), Grantor shall abandon any pending eminent domain action and return the Property pursuant to Code of Civil Procedure Section 1268.510 as soon as and in such manner as required by the court. Upon such abandonment, or disposition of the Property, as applicable, any proceeds returned or paid to the City shall be applied as follows:

(i) First, to reimburse Grantor, for all reasonable costs and expenses incurred by Grantor arising from such abandonment, recapture, management, and disposition of the Property, as applicable, including but not limited to fees of consultants engaged in connection with the abandonment, recapture, management, and disposition of the Property (but less any income derived by Grantor from such abandonment of the Property), all taxes, assessments and water and sewer charges with respect to the Property (or, in the event the Property is exempt from taxation or assessment or such charges during
the period of Grantor ownership, then such taxes, assessments, or charges, as would have been payable if the Property was not so exempt; any payments made or necessary to be made to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults, or acts of Grantee; and any amounts otherwise owing to Grantor by Grantee;

(ii)  Second, with any available balance, to reimburse Grantee the amount equal to (1) the Acquisition Costs for the Property, and (2) the Development Costs for the Arena Site, divided by the square footage of the land area of the Arena Site and multiplied by the square footage of the land area of the Property, less (3) any gain or income withdrawn or made by Grantee therefrom or from the improvements thereon attributable to the Property; and

(iii) Any balance remaining after such reimbursements shall be retained by the Grantor as its property.

(e)  For avoidance of doubt, the Grantor's exercise of its rights under this Paragraph (5) shall be its sole and exclusive remedy for the conditions described in the foregoing subparagraphs (5)(a)(i)-(iii) and such reverter rights shall only be applicable to the Property. To the extent that the right established in this Paragraph (5) involves a forfeiture, it must be strictly interpreted against Grantor, the party for whose benefit it is created. The rights established in this Paragraph (5) are to be interpreted in light of the fact that Grantor hereby conveys the Property to Grantee for development and not for speculation in undeveloped land.

(6)  Grantee covenants and agrees for itself, its successors, its assigns, and all persons claiming under or through them that there shall be no discrimination against or segregation of any person or group of persons on account of sex, sexual orientation, marital status, race, color, creed, religion, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the Property, nor shall Grantee itself or any person claiming under or through it, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of the Property by, for, or with any tenants, lessees, sublessees, subtenants, or vendees on or about the Property. The foregoing covenants shall run with the land.

(7)  All deeds, leases or contracts made relative to the Property, improvements thereon, or any part thereof, shall contain or be subject to substantially the following nondiscrimination or nonsegregation clauses:

a. In deeds: "The Grantee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section
12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the premises herein conveyed, nor shall the Grantee or any person claiming under or through him or her, establish or permit any practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the premises herein conveyed. The foregoing covenants shall run with the land."

b. In leases: "The lessee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through him or her, and this lease is made and accepted upon and subject to the following conditions:

That there shall be no discrimination against or segregation of any person or group of persons, on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (l) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the leasing, subleasing, transferring, use, occupancy, tenure, or enjoyment of the premises herein leased nor shall the lessee himself or herself, or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy, of tenants, lessees, sublessees, subtenants, or vendees in the premises herein leased."

c. In contracts: "There shall be no discrimination against or segregation of any person or group of persons, on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (l) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the land, nor shall the transferee itself or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy, of tenants, lessees, sublessees, subtenants, or vendees of the land. The aforesaid statutes are in amplification and do not restrict or diminish the requirement for Grantee to encourage such leases and contracts in furtherance of the Agreement, including the City of Inglewood Employment and Training Agreement and Requirements (Attachment No. 8 to the DDA) which must promote the local economy by encouraging local business enterprise(s) within the City of Inglewood to make bids and proposals in leasing and contracting concerning the use, operation, and maintenance of the Property and by providing preference to local contractors in procurements in the use, operation, and maintenance of the Property."

(8) All conditions, covenants and restrictions contained in this Grant Deed (including the Public Use Restrictions in Exhibit B, attached hereto) shall be covenants running with the land, and shall, in any event, and without regard to technical classification or designation, legal or
otherwise, be, to the fullest extent permitted by law and equity, binding for the benefit and in favor of, and enforceable by Grantor, its successors and assigns, and the City of Inglewood and its successors and assigns, against Grantee, its successors and assigns, to or of the Property conveyed herein or any portion thereof or any interest therein, and any party in possession or occupancy of said Property or portion thereof.

(9) The conditions, covenants and restrictions contained in Paragraphs (3)(a), (3)(b), (4) and (5) of this Grant Deed shall terminate and become null and void upon recordation of a Release of Construction Covenants issued by Grantor for the Property. The covenants concerning the Public Use Restrictions set forth in Paragraphs (2) and Exhibit B of this Grant Deed and the covenants concerning the maintenance standards and nondiscrimination in Paragraphs (3)(c), (3)(d), (6) and (7), and the covenant of Grantor in Paragraph 13, of this Grant Deed shall remain in perpetuity.

(10) No violation or breach of the covenants, conditions, restrictions, provisions or limitations contained in this Grant Deed shall defeat or render invalid the lien or charge of any mortgage or deed of trust or security interest permitted by Paragraph (4)(d) of this Grant Deed.

(11) None of the terms, covenants, agreements or conditions heretofore agreed upon in writing in other instructions between the parties to this Grant Deed with respect to obligations to be performed, kept or observed by Grantee or Grantor in respect to said Property or any part thereof after this conveyance of said Property shall be deemed to be merged with this Grant Deed until such time as a Release of Construction Covenants issued by Grantor is recorded for the Property conveyed hereby or such part thereof.

(12) The covenants contained in this Grant Deed shall be construed as covenants running with the land and not as conditions that might result in forfeiture of title, except for the covenant and condition contained in Paragraphs (2), (4) and (5) of this Grant Deed.

(13) Grantor agrees to, from time to time, execute and deliver to any lender or prospective lender of Grantee, or other applicable third-party, within ten (10) City business days after a written request is received by the City, an estoppel certificate, in commercially reasonable form, certifying that Grantor is not aware of any default by Grantee of any of the covenants, conditions, restrictions, provisions or limitations contained in this Grant Deed, or the occurrence of an event that with notice or the passage of time or both would be default by Grantee hereunder if not cured (or if there is a default, a description of the nature of such default), and such other reasonable matters as may be requested.

EXHIBIT A

Legal Description of Property

THE LAND REFERRED TO HEREIN IS SITUATED IN THE CITY OF INGLEWOOD, STATE OF CALIFORNIA, COUNTY OF LOS ANGELES, AND IS DESCRIBED AS FOLLOWS:

[To be inserted]
EXHIBIT B

Public Use Restrictions

Grantee, on behalf of its successors, assigns, and each successor in interest to Grantee's interest in the Property or any part thereof, hereby covenants and agrees that Grantee shall not use the Property for any purpose other than:

(i) to provide the public with access to amusement, enjoyment, and recreation in the form of spectator sports, including basketball, entertainment and other civic events and activities (collectively, the "Arena Use"); or

(ii) such other uses reasonably related and incidental to the Arena Use, including, without limitation, restaurant, food service, retail and other public serving uses, philanthropic activities, ancillary and administrative office uses, plaza and concourse area uses, practice and training facilities, a sports medicine clinic and parking uses. [Note: At execution, conform Public Use Restriction to public use stated in Resolution of Necessity, if any has been adopted.]

The foregoing shall individually, or collectively, as applicable, be referred to as the "Public Use Restrictions". The Public Use Restrictions as set forth in this Exhibit B shall remain in effect in perpetuity. The Public Use Restrictions shall not be interpreted to prohibit or restrict the use of the Arena Site for paid ticketed events.

If Grantee violates the Public Use Restrictions as established above following recordation of the Release of Construction Covenants, Grantor shall serve written notice to the Grantee of such violation. If Grantee fails to cure said violation within thirty (30) days after receipt of notice from the Grantor ("Cure Notice"), or within said thirty-day period a Grantee requested authorization of an alternative and acceptable public use has not been approved by the Grantor, in Grantor’s sole discretion, then the Grantee shall promptly, but in no event later than three (3) months from receipt of the Cure Notice, take all necessary actions to revest possession of the Property (with all improvements thereon) in the Grantor and reimburse the Grantor for all reasonable costs incurred by the Grantor with respect to the revesting of possession.

In the event that the violation is not cured by Grantee within the time period above, Grantor shall abandon any pending eminent domain action and return the Property pursuant to California Code of Civil Procedure Section 1268.510 as soon as and in such manner as required by the court. Upon such abandonment, as applicable any proceeds returned or paid to the City shall be applied as follows:

(i) First, to pay all reasonable costs incurred by the Grantor attributable to such revesting to the extent not previously reimbursed by Grantee, including, but not limited to, all such costs incurred pursuant to California Code of Civil Procedure Section 1268.510;

(ii) Second, with any available balance, to satisfy any mortgage, deed of trust, or other security interest encumbering Grantee’s interest in the Property;
(iii) Third, with any available balance, to reimburse Grantee the amount equal to (a) the Acquisition Costs paid for the Property; and (b) the Arena Development Costs, as set forth in the Release of Construction Covenants, divided by the square footage of the land area of the Arena Site and multiplied by the square footage of the land area of the Property; and

(iv) Finally, any balance remaining after such reimbursements shall be retained by Grantor as its property.

The Grantor's exercise of its rights under this Exhibit B shall be its sole and exclusive remedy for the violation of the Public Use Restrictions and such reverter rights shall only be applicable to the Property. To the extent that the right established in this Exhibit B involves a forfeiture, it must be strictly interpreted against Grantor, the party for whose benefit it is created. However, it is acknowledged by the Grantee that the rights established in this Exhibit B are to be interpreted in light of the fact that possession of the Property is being conveyed by Grantor to Grantee for a public use as set forth hereinafter. Notwithstanding any other provision of this Exhibit B, mortgages and deeds of trust, and any other reasonable method of security instruments are permitted to be placed upon the Property. Mortgages, deeds of trust, or other reasonable security instruments securing financing with respect to the Property are each referred to herein as a "Security Interest". The words "mortgage" and "deed of trust" as used in this Exhibit B shall include all other appropriate modes of financing real estate acquisition, construction and land development. No violation or breach of the Public Use Restrictions shall defeat or render invalid the lien or charge of any Security Interest, provided, however, that any subsequent owner of Grantee's possessory right to the Property shall be bound by the Public Use Restrictions, whether such owner's possession was acquired by foreclosure, deed in lieu of foreclosure, trustee's sale or otherwise. Grantor shall afford any holder of the beneficial interest under such Security Interest (the "Mortgagee") the mortgagee protections provided for in this Exhibit B.

A Mortgagee not in legal possession of the Property or any portion thereof shall not be subject to the obligations or liabilities of Grantee under this Exhibit B. A Mortgagee in legal possession of the Property or portion thereof shall only be entitled to use the Property if Mortgagee fully complies with the Public Use Restrictions.

Whenever the Grantor delivers any notice or demand to Grantee with respect to the occurrence of any violation of the Public Use Restrictions, the Grantor shall at the same time deliver to each Mortgagee who has requested to receive notices or demands from the Grantor, a copy of such notice or demand. After receipt of such notice, each such Mortgagee shall (insofar as the rights of the Grantor are concerned) have the right, but not the obligation, at its option, within the same cure period afforded to Grantee hereunder plus thirty (30) days, to cure or remedy or commence to cure or remedy any such violation affecting the Property which is subject to the Security Interest held by such Mortgagee and to add the cost thereof to the security interest debt and the lien on its security interest; provided, however, if cure cannot be accomplished within such 30-day period, such Mortgagee shall have the right to commence to cure such failure within such 30-day period and thereafter diligently prosecute such cure within a reasonable time. If such violation shall be a default which can only be remedied or cured by such Mortgagee upon obtaining possession of the Property or other asset subject to the Security Interest, and such Mortgagee has elected to remedy or cure such default upon written notice to the Grantor.
confirming its intention, upon obtaining possession, to comply with the Public Use Restrictions, such Mortgagee shall seek to obtain possession of the Property or other asset with diligence and continuity through foreclosure, deed in lieu of foreclosure or such other procedure as the Mortgagee may elect, and such Mortgagee, or such successor-in-interest to Grantee who acquires the Property by way of such foreclosure, deed in lieu of foreclosure or such other procedure, shall remedy or cure such default within ninety (90) days after obtaining possession; provided, however, if cure cannot be accomplished within such 90-day period, such Mortgagee or successor-in-interest shall have the right to commence to cure such failure within such 90-day period and thereafter diligently prosecute such cure within a reasonable time. In addition, in the event that, due to a default by Grantee under the applicable Security Interest, a Mortgagee seeks to obtain possession of the Property or other asset with diligence and continuity through foreclosure, deed in lieu of foreclosure or such other procedure as the Mortgagee may elect at any time prior to the date that the Grantor has the right to exercise its remedies above, then the Grantor shall not have the right to exercise its remedies above until the date that is three (3) months following the date that the Mortgagee or such other successor-in-interest acquires possession to the Property.

Notwithstanding any provision of this Exhibit B to the contrary, Grantee and Grantor shall be excused from performing any obligation or undertaking provided in this Exhibit B in the event of, and so long as the performance of any such obligation is prevented or delayed, retarded or hindered by, an act of God, fire, earthquake, flood, explosion, epidemic, pandemic, action of the elements, war, invasion, insurrection, riot, mob violence, sabotage, inability to procure or general shortage of labor, equipment, facilities, materials or supplies in the open market, failure of transportation, strikes, lockouts, condemnation, requisition, applicable law, litigation, orders of governmental, civil, military or naval authority, or any other cause, whether similar or dissimilar to the foregoing, not within the control of the party claiming the extension of time to perform.

However, notwithstanding anything contained above to the contrary, in the event the Mortgagee rights and protections are found by a court of law to be inconsistent with applicable eminent domain requirements, such rights and protections shall be appropriately revised or eliminated to conform with such court order.

Moreover and also notwithstanding anything contained above to the contrary, upon a court-ordered dismissal of the eminent domain action pursuant to Code of Civil Procedure Section 1268.620, Grantee shall return the Property, pay all costs related thereto, and take all such related actions required by the court.

PUBLIC USE GRANT DEED

[Private Parcels – Arena Site]

FOR A VALUABLE CONSIDERATION, receipt of which is hereby acknowledged the CITY OF INGLEWOOD, a municipal corporation, herein called "Grantor," or the "City" hereby grants to MURPHY'S BOWL LLC, a Delaware limited liability company, herein called "Grantee," the real property hereinafter referred to as the "Property," described in the document attached hereto, labeled Exhibit A and incorporated herein by this reference.

(1) Said Property is certain real property that is a portion of the real property referred to as the "Project Site" as described in the Disposition and Development Agreement (the "DDA") entered into by and between Grantor and Grantee on __________, 2020. The "Project Site" is comprised of the "Arena Site", the "West Parking Garage Site", the "East Transportation Site" and the "Hotel Site." The DDA is a public document on file in the office of the Inglewood City Clerk. Any capitalized term not herein defined shall have the same meaning as set forth in the DDA.
(2) Said Property is being conveyed pursuant to this Public Use Grant Deed ("Grant Deed") subject to the Public Use Restrictions in Exhibit B, attached hereto, and fully incorporated herein by this reference.

(3) Grantee hereby covenants and agrees for itself, its successors, its assigns, and every successor in interest to the Property that Grantee, such successors and such assigns, agrees to:
   (a) construct the Improvements on the Property as required by the DDA;
   (b) conduct all activities undertaken pursuant to the DDA in conformity with all applicable provisions of the DDA including without limitation the provisions and the limitations of the Scope of Development, the Inglewood Municipal Code and any other applicable requirements of any governmental agency affected by the Project's construction, development, or work;
   (c) use the Property in conformity with and abide by the covenants and restrictions set forth in this Grant Deed including, but not limited to, the Public Use Restrictions; and
   (d) maintain all buildings, signage, lighting, landscaping, irrigation, architectural elements identifying the Property and any and all other common area of the Improvements on the Property (including sidewalks, paths and other paved areas) in a neat, clean, attractive and safe condition, including removing graffiti within 24 hours from notification.

Grantor has agreed to notify Grantee in writing if the condition of the Property does not meet the maintenance standards specified herein and to specify the deficiencies and the actions required to be taken by Grantee to cure the deficiencies. Upon notification of any maintenance deficiency, Grantee shall have thirty (30) days within which to correct, remedy, or cure the deficiency (except for graffiti, which shall be removed within 24 hours from notification), unless such deficiency cannot be reasonably corrected, remedied or cured within such period, in which case, such period shall be extended for such time as is necessary to accomplish the same provided that Grantee is diligently pursuing such correction, remedy, or cure.

(4) Grantee, for itself and on behalf of its successors and assigns to all or any portion of the Property, or any interest therein, covenants and agrees that prior to the recordation of the Release of Construction Covenants as to the Property:
   (a) The qualifications and identities of Grantee and its owner are of particular concern to Grantor. It is because of those unique qualifications and identities that Grantor has entered into the DDA with Grantee, and is imposing restrictions upon any Change of Control of Grantee and any Transfer until Grantor issues the Release of Construction Covenants as to the Property. No voluntary or involuntary successor in interest to Grantee shall acquire any rights or powers in the Property, except as expressly set forth herein, or under the DDA, except as expressly set forth therein.

   (i) Grantee shall not (i) Transfer the Property, or any portion thereof, or any interest therein, to a third party (a "Transferee") without the prior written approval of Grantor (except for Transfers duly executed and deemed approved by Grantor as provided in the DDA), which such approval shall be given within fifteen (15) City-business days if, in the reasonable determination of the Grantor, the proposed Transferee has the qualifications of a developer (including experience, character and financial capability) necessary to develop the Property, or (ii) effect any Change of Control by any method or means (except as the result of death or incapacity), without the prior written approval of Grantor, provided, however, such approval shall be given within five (5) business days if, in the reasonable
determination of Grantor, Grantee after the Change in Control will have the qualifications of a developer (including experience, character and financial capability) necessary to develop the Property. Grantee shall promptly notify Grantor of any proposed Change in Control.

(ii) Any Transfer of the Property or any portion thereof or any interest therein, in violation hereof prior to the recordation of the Release of Construction Covenants as to the Property, shall entitle Grantor to the Excess Purchase Price resulting from such transfer in accordance with the terms of the DDA.

(iii) Any Change of Control (voluntary or involuntary, except as the result of death or incapacity) of Grantor in violation hereof prior to the recordation of the Release of Construction Covenants as to the Property, Grantor will constitute a breach and entitle Grantor to terminate the DDA as to the Property.

(iv) The restrictions on a Transfer or Change of Control set forth herein shall terminate upon the recordation of the Release of Construction Covenants as to the Property.

(b) Representatives of the City shall have a reasonable right of access to Property, upon two (2) business days' prior written notice to Grantee, without charges or fees, during normal construction hours for the purposes of inspection of the work being performed in constructing the Improvements. However, no such notice shall be required in the event of an emergency involving the Project Site or any portion thereof. Representatives of the Grantor shall be those who are so identified in writing by the City Manager of the City (or his/her designee) necessary for such construction inspection purposes. Such representatives shall also be responsible for providing any required written notice to Grantee. All activities performed on the Property by the City's representatives shall be done in compliance with all applicable laws, statutes, rules and regulations, and any written safety procedures, rules and regulations of Grantee and and/or its contractors, and shall not unreasonably interfere with the construction of the Improvements or the transaction contemplated by the DDA.

(c) Grantee shall pay when due all real estate taxes and assessments assessed and levied on or against the Property. Grantee shall not place, or allow to be placed on the Property, any mortgage, trust deed, encumbrance or lien not authorized by or pursuant to the DDA or Paragraph (4)(d) below or not otherwise authorized by the Grantor. Grantee shall remove, or shall have removed, any levy or attachment made on the Property, or shall assure the satisfaction thereof within a reasonable time but in any event prior to a sale thereunder. Nothing herein contained shall be deemed to prohibit Grantee from contesting the validity or amount of any tax assessment, encumbrance or lien, nor to limit the remedies available to Grantee in respect thereto.
(d) Mortgages, deeds of trust, conveyances and leasebacks, or any other form of conveyance required for any reasonable method of financing are permitted with respect to the Property prior to the recordation of the Release of Construction Covenants as to the Property, but only for the purpose of securing loans and funds to be used for financing the acquisition of the Project Site, or portion thereof as applicable, the construction of the Improvements on the Project Site, and any other expenditures necessary and appropriate to develop the Project Site or portion thereof as applicable, pursuant to the terms of the DDA. Grantee shall notify Grantor in advance of any mortgage, deed of trust, conveyance and leaseback, or other form of conveyance for financing for Grantor written approval if Grantee proposes to enter into the same before the recordation of the Release of Construction Covenants as to the Property. The words "mortgage" and "deed of trust" as used herein include all other appropriate modes of financing real estate acquisition, construction, and land development, including, without limitation, mezzanine financing.

(e) Prior to the recordation of a Release of Construction Covenants as to the Property, if Grantee, after a thirty (30) day period following its receipt of notice of the existence of any such liens or encumbrances, has failed to challenge, cure or satisfy any such liens or encumbrances on the Property, the Grantor shall have the right to satisfy any such liens or encumbrances; provided, however, that nothing in this Paragraph (4)(e) of the DDA shall require Grantee to pay or make provisions for the payment of any tax, assessment, lien or charge so long as Grantee in good faith contests the validity or amount thereof, and so long as such delay in payment shall not subject the Property to forfeiture or sale.

(f) The covenants of Grantee set forth in this Paragraph (4) shall remain in effect only until a Release of Construction Covenants has been recorded as to the Property.

(5) Prior to the recordation of a Release of Construction Covenants issued by Grantor for the improvements to be constructed on the Property or on any part thereof:

(a) Grantor shall have the right, at its option, which must be exercised, if at all, prior to the cure, to reenter and take possession of the Property hereby conveyed with all Improvements thereon, and to terminate and revest in Grantor the estate hereby conveyed to Grantee, if after conveyance of title and possession to the Property, and prior to the Release of Construction Covenants as to the Property, Grantee shall:

(i) fail to commence construction of the Improvements (recognizing commencement of construction shall include any grading or other site preparation activities performed on the Property, by Grantee following conveyance) in accordance with the Schedule of Performance and within thirty (30) days following delivery of written notice of such failure by Grantor to Grantee, provided that Grantee has not obtained an extension or postponement of time pursuant to Section 605 of the DDA; or
(ii) abandon or substantially suspend construction of the Improvements on the Property for a period of nine (9) consecutive months and within thirty (30) days following delivery of written notice of such abandonment or suspension has been given by Grantor to Grantee, provided Grantee has not obtained an extension or postponement of time pursuant to Section 605 of the DDA; or

(iii) Transfer or attempt to Transfer the DDA, or any rights therein, or suffer any involuntary transfer of the Project Site or any portion thereof in violation of this Grantee Deed or the DDA, and such violation shall not be cured within thirty (30) days following delivery of written notice of such failure by Grantor to Grantee.

(b) The right to reenter, repossess, terminate and revest shall not defeat or render invalid any payment obligations with respect to:

(i) any mortgage, deed of trust, or other security interest permitted by Paragraph (4)(d) of this Grant Deed or the DDA; or

(ii) any rights or interests provided in this Grant Deed or the DDA for the protection of the holders of such mortgages, deeds of trust, or other security interests.

either of which shall be subject to the requirements of Code of Civil Procedure Section 1245.245.

(c) The right to reenter, repossess, terminate and revest shall not apply to the Property on which any Improvements to be constructed thereon have been completed in accordance with the DDA and for which a Release of Construction Covenants has been recorded as provided in the DDA.

(d) Subject to the rights of the holders of security interests as stated in subparagraphs (5)(b)(i) and (ii) above, upon the revesting in Grantor of title to the Property, as provided in this Paragraph (5), Grantor shall promptly comply with Code of Civil Procedure section 1245.245 and if, and to the extent legally permissible use commercially reasonable efforts to resell the Property as soon and in such manner as Grantor shall find feasible to maximize the value thereof to a qualified and responsible party or parties (as determined by Grantor in its reasonable discretion), who will develop the Property and not resell the Property prior to such development or hold the Property for speculation in land. Upon such resale of the Property, or any part thereof, and satisfaction of the obligations owed to the holder of any mortgage, deed of trust or other security interest authorized by the DDA, the proceeds thereof shall be applied:

(i) First, to reimburse Grantor, for all reasonable costs and expenses incurred by Grantor arising from such revesting in Grantor, including but not limited to fees of consultants engaged in connection with the recapture, management, and resale of the Property (but less any income derived by
Grantor from the sale of the Property in connection with such management; all taxes, assessments and water and sewer charges with respect to the Property (or, in the event the Property is exempt from taxation or assessment or such charges during the period of Grantor ownership, then such taxes, assessments, or charges, as would have been payable if the Property was not so exempt); any payments made or necessary to be made to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults, or acts of Grantee; and any amounts otherwise owing to Grantor by Grantee:

(ii) Second, with any available balance, to reimburse Grantee the amount equal to (1) the Acquisition Costs for the Property, and (2) the Development Costs for the Arena Site, divided by the square footage of the land area of the Arena Site and multiplied by the square footage of the land area of the Property, less (3) any gain or income withdrawn or made by Grantee therefrom or from the improvements thereon attributable to the Property: and

(iii) Any balance remaining after such reimbursements shall be retained by the Grantor as its property.

(e) For avoidance of doubt, the Grantor's exercise of its rights under this Paragraph (5) shall be its sole and exclusive remedy for the conditions described in the foregoing subparagraphs (5)(a)(i)-(iii) and such reverter rights shall only be applicable to the Property. To the extent that the right established in this Paragraph (5) involves a forfeiture, it must be strictly interpreted against Grantor, the party for whose benefit it is created. The rights established in this Paragraph (5) are to be interpreted in light of the fact that Grantor hereby conveys the Property to Grantee for development and not for speculation in undeveloped land.

(6) Grantee covenants and agrees for itself, its successors, its assigns, and all persons claiming under or through them that there shall be no discrimination against or segregation of any person or group of persons on account of sex, sexual orientation, marital status, race, color, creed, religion, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the Property, nor shall Grantee itself or any person claiming under or through it, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of the Property by, for, or with any tenants, lessees, sublessees, subtenants, or vendees on or about the Property. The foregoing covenants shall run with the land.

(7) All deeds, leases or contracts made relative to the Property, improvements thereon, or any part thereof, shall contain or be subject to substantially the following nondiscrimination or nonsegregation clauses:

a. In deeds: "The Grantee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any
person or group of persons on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the premises herein conveyed, nor shall the Grantee or any person claiming under or through him or her, establish or permit any practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the premises herein conveyed. The foregoing covenants shall run with the land."

b. In leases: "The lessee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through him or her, and this lease is made and accepted upon and subject to the following conditions:

That there shall be no discrimination against or segregation of any person or group of persons, on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the leasing, subleasing, transferring, use, occupancy, tenure, or enjoyment of the premises herein leased nor shall the lessee himself or herself, or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy, of tenants, lessees, sublessees, subtenants, or vendees in the premises herein leased."

c. In contracts: "There shall be no discrimination against or segregation of any person or group of persons, on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the land, nor shall the transferee itself or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy, of tenants, lessees, sublessees, subtenants, or vendees of the land. The aforesaid statutes are in amplification and do not restrict or diminish the requirement for Grantee to encourage such leases and contracts in furtherance of the Agreement, including the City of Inglewood Employment and Training Agreement and Requirements (Attachment No. 8 to the DDA) which must promote the local economy by encouraging local business enterprise(s) within the City of Inglewood to make bids and proposals in leasing and contracting concerning the use, operation, and maintenance of the Property and by providing preference to local contractors in procurements in the use, operation, and maintenance of the Property."
(8) All conditions, covenants and restrictions contained in this Grant Deed (including the Public Use Restrictions in Exhibit B, attached hereto) shall be covenants running with the land, and shall, in any event, and without regard to technical classification or designation, legal or otherwise, be, to the fullest extent permitted by law and equity, binding for the benefit and in favor of, and enforceable by Grantor, its successors and assigns, and the City of Inglewood and its successors and assigns, against Grantee, its successors and assigns, to or of the Property conveyed herein or any portion thereof or any interest therein, and any party in possession or occupancy of said Property or portion thereof.

(9) The conditions, covenants and restrictions contained in Paragraphs (3)(a), (3)(b), (4) and (5) of this Grant Deed shall terminate and become null and void upon recordation of a Release of Construction Covenants issued by Grantor for the Property. The covenants concerning the Public Use Restrictions set forth in Paragraphs (2) and Exhibit B of this Grant Deed and the covenants concerning the maintenance standards and nondiscrimination in Paragraphs (3)(c), (3)(d), (6) and (7), and the covenant of Grantor in Paragraph 13, of this Grant Deed shall remain in perpetuity.

(10) No violation or breach of the covenants, conditions, restrictions, provisions or limitations contained in this Grant Deed shall defeat or render invalid the lien or charge of any mortgage or deed of trust or security interest permitted by Paragraph (4)(d) of this Grant Deed.

(11) None of the terms, covenants, agreements or conditions heretofore agreed upon in writing in other instructions between the parties to this Grant Deed with respect to obligations to be performed, kept or observed by Grantee or Grantor in respect to said Property or any part thereof after this conveyance of said Property shall be deemed to be merged with this Grant Deed until such time as a Release of Construction Covenants issued by Grantor is recorded for the Property conveyed hereby or such part thereof.

(12) The covenants contained in this Grant Deed shall be construed as covenants running with the land and not as conditions that might result in forfeiture of title, except for the covenant and condition contained in Paragraphs (2), (4) and (5) of this Grant Deed.

(13) Grantor agrees to, from time to time, execute and deliver to any lender or prospective lender of Grantee, or other applicable third-party, within ten (10) City business days after a written request is received by the City, an estoppel certificate, in commercially reasonable form, certifying that Grantor is not aware of any default by Grantee of any of the covenants, conditions, restrictions, provisions or limitations contained in this Grant Deed, or the occurrence of an event that with notice or the passage of time or both would be default by Grantee hereunder if not cured (or if there is a default, a description of the nature of such default), and such other reasonable matters as may be requested.

Legal Description of Property

THE LAND REFERRED TO HEREIN IS SITUATED IN THE CITY OF INGLEWOOD, STATE OF CALIFORNIA, COUNTY OF LOS ANGELES, AND IS DESCRIBED AS FOLLOWS:

[To be inserted]
EXHIBIT B

Public Use Restrictions

Grantee, on behalf of its successors, assigns, and each successor in interest to Grantee's interest in the Property or any part thereof, hereby covenants and agrees that Grantee shall not use the Property for any purpose other than:

(i) to provide the public with access to amusement, enjoyment, and recreation in the form of spectator sports, including basketball, entertainment and other civic events and activities (collectively, the "Arena Use"), or

(ii) such other uses reasonably related and incidental to the Arena Use, including, without limitation, restaurant, food service, retail and other public serving uses, philanthropic activities, ancillary and administrative office uses, plaza and concourse area uses, practice and training facilities, a sports medicine clinic and parking uses. [Note: At execution, conform Public Use Restriction to public use stated in Resolution of Necessity, if any has been adopted.]

The foregoing shall individually, or collectively, as applicable, be referred to as the "Public Use Restrictions". The Public Use Restrictions as set forth in this Exhibit B shall remain in effect in perpetuity. The Public Use Restrictions shall not be interpreted to prohibit or restrict the use of the Arena Site for paid ticketed events.

Grantee acknowledges that the Public Use Restriction is imposed pursuant to California Code of Civil Procedure Section 1245.245. If Grantee violates the Public Use Restrictions as established above following recordation of the Release of Construction Covenants, Grantor shall, except as otherwise permitted by California Code of Civil Procedure Section 1245.245, serve written notice to the Grantee of such violation. If Grantee fails to cure said violation within thirty (30) days after receipt of notice from the Grantor ("Cure Notice"), or within said thirty-day period a Grantee requested authorization of an alternative and acceptable public use has not been approved by the Grantor, in Grantor's sole discretion, then the Grantee shall promptly, but in no event later than three (3) months from receipt of the Cure Notice, take all necessary actions to vest title and possession of the Property (with all improvements thereon) in the Grantor and reimburse the Grantor for all reasonable costs incurred by the Grantor with respect to the vesting of title and possession.

Following Grantor's re-entry, repossession, termination, and vesting of title and possession of the Property, Grantor shall, in accordance with the requirements of California Code of Civil Procedure Section 1245.245, either adopt a resolution authorizing a different public use of the Property or sell the Property as surplus property.

If City does not, within a reasonable time, adopt a resolution authorizing a different public use of the Property, it shall sell the Property in accordance with applicable law, using good faith efforts, consistent with legal requirements, to maximize the value thereof, recognizing that applicable legal requirements may require that the Property be first offered for specified uses in accordance with the California Surplus Lands Act or other applicable legal requirements. Upon such resale of the Property, the proceeds thereof shall be applied in the following order:
(i) First, to repay any mortgage, deed of trust, or other security interest encumbering the Property:

(ii) Second, with any available balance, to reimburse Grantor, for all reasonable costs and expenses incurred by Grantor in connection with such sale; all taxes, assessments and water and sewer charges with respect to the Property; any payments made or necessary to be made to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults, or acts of Grantee; and any amounts otherwise owing to Grantor by Grantee:

(iii) Third, with any available balance, to reimburse Grantee the amount equal to (a) the Acquisition Costs paid for the Property; and (b) the Arena Development Costs, as set forth in the Release of Construction Covenants, divided by the square footage of the land area of the Arena Site and multiplied by the square footage of the land area of the Property; and

(iv) Finally, any balance remaining after such reimbursements shall be retained by Grantor as its property.

If City retains the Property, the City shall pay to the Grantee the amount that would have been payable to Grantee under the preceding paragraph if the Property had been sold pursuant to the requirements of California Code of Civil Procedure Section 1245.245.

The Grantor's exercise of its rights under this Exhibit B shall be its sole and exclusive remedy for the violation of the Public Use Restrictions and such reverter rights shall only be applicable to the Property. To the extent that the right established in this Exhibit B involves a forfeiture, it must be strictly interpreted against Grantor, the party for whose benefit it is created. However, it is acknowledged by the Grantee that the rights established by this Exhibit B are to be interpreted in light of the fact that the Property is being conveyed by Grantor to Grantee for a public use as set forth hereinabove.

Notwithstanding any other provision of this Exhibit B, mortgages and deeds of trust, and any other reasonable method of security instruments are permitted to be placed upon the Property. Mortgages, deeds of trust, or other reasonable security instruments securing financing with respect to the Property are each referred to herein as a "Security Interest". The words "mortgage" and "deed of trust" as used in this Exhibit B shall include all other appropriate modes of financing real estate acquisition, construction and land development. No violation or breach of the Public Use Restrictions shall defeat or render invalid the lien or charge of any Security Interest; provided, however, that any subsequent owner of the Property shall be bound by the Public Use Restrictions, whether such owner's title was acquired by foreclosure, deed in lieu of foreclosure, trustee's sale or otherwise. Grantor shall afford any holder of the beneficial interest under such Security Interest (the "Mortgagee") the mortgagee protections provided for in this Exhibit B.

A Mortgagee not in legal possession of the Property or any portion thereof shall not be subject to the obligations or liabilities of Grantee under this Exhibit B. A Mortgagee in legal possession of the Property or portion thereof shall only be entitled to use the Property if Mortgagee fully complies with the Public Use Restrictions.
Whenever the Grantor delivers any notice or demand to Grantee with respect to the occurrence of any violation of the Public Use Restrictions, the Grantor shall at the same time deliver to each Mortgagee who has requested to receive notices or demands from the Grantor, a copy of such notice or demand. After receipt of such notice, each such Mortgagee shall (in so far as the rights of the Grantor are concerned) have the right, but not the obligation, at its option, within the same cure period afforded to Grantee hereunder plus thirty (30) days, to cure or remedy or commence to cure or remedy any such violation affecting the Property which is subject to the Security Interest held by such Mortgagee and to add the cost thereof to the security interest debt and the lien on its security interest; provided, however, if cure cannot be accomplished within such 30-day period, such Mortgagee shall have the right to commence to cure such failure within such 30-day period and thereafter diligently prosecute such cure within a reasonable time. If such violation shall be a default which can only be remedied or cured by such Mortgagee upon obtaining possession of the Property or other asset subject to the Security Interest, and such Mortgagee has elected to remedy or cure such default upon written notice to the Grantor confirming its intention, upon obtaining possession, to comply with the Public Use Restrictions, such Mortgagee shall seek to obtain possession of the Property or other asset with diligence and continuity through foreclosure, deed in lieu of foreclosure or such other procedure as the Mortgagee may elect, and such Mortgagee, or such successor-in-interest to Grantee who acquires the Property by way of such foreclosure, deed in lieu of foreclosure or such other procedure, shall remedy or cure such default within ninety (90) days after obtaining possession; provided, however, if cure cannot be accomplished within such 90-day period, such Mortgagee or successor-in-interest shall have the right to commence to cure such failure within such 90-day period and thereafter diligently prosecute such cure within a reasonable time. In addition, in the event that, due to a default by Grantee under the applicable Security Interest, a Mortgagee seeks to obtain possession of the Property or other asset with diligence and continuity through foreclosure, deed in lieu of foreclosure or such other procedure as the Mortgagee may elect at any time prior to the date that the Grantor has the right to exercise its remedies above, then the Grantor shall not have the right to exercise its remedies above until the date that is three (3) months following the date that the Mortgagee or such other successor-in-interest acquires possession or title to the Property.

However, notwithstanding anything contained above to the contrary, in the event the Mortgagee rights and protections are found by a court of law to be inconsistent with applicable eminent domain requirements, such rights and protections shall be appropriately revised or eliminated to conform with such court order.

Notwithstanding any provision of this Exhibit B to the contrary, Grantee and Grantor shall be excused from performing any obligation or undertaking provided in this Exhibit B in the event of, and so long as the performance of any such obligation is prevented or delayed, retarded or hindered by, (a) act of God, fire, earthquake, flood, explosion, epidemic, pandemic, action of the elements, war, invasion, insurrection, riot, mob violence, sabotage, inability to procure or general shortage of labor, equipment, facilities, materials or supplies in the open market, failure of transportation, strikes, lockouts, condemnation, requisition, applicable law, litigation, orders of governmental, civil, military or naval authority, or any other cause, whether similar or dissimilar to the foregoing, not within the control of the party claiming the extension of time to perform.

GRANT DEED

FOR A VALUABLE CONSIDERATION, receipt of which is hereby acknowledged the CITY OF INGLEWOOD, a municipal corporation, herein called "Grantor," or the "City" hereby grants to MURPHY’S BOWL LLC, a Delaware limited liability company, herein called "Grantee," the real property hereinafter referred to as the "Property," described in the document attached hereto, labeled Exhibit A and incorporated herein by this reference.

(1) Said Property is certain real property that is a portion of the real property referred to as the "Project Site" as described in the Disposition and Development Agreement (the "DDA") entered into by and between Grantor and Grantee on ____________, 2020. The "Project Site" is comprised of the "Arena Site", the "West Parking Garage Site", the "East Transportation Site" and the "Hotel Site." The Property is the referred to in the DDA as the ["West Parking Garage Site/ East Transportation Site/ Hotel Site."] The DDA is a public document on file in the office of the Inglewood City Clerk. Any capitalized term not herein defined shall have the same meaning as set forth in the DDA.
(2) Said Property is being conveyed pursuant to this Grant Deed ("Grant Deed") in accordance with the terms of the DDA. [Drafting note- revisions to form of Grant Deed for the Hotel Site may be required in connection with a Transfer of the Hotel Site to a third-party developer, as contemplated by Section 322 of the DDA]

(3) Grantee hereby covenants and agrees for itself, its successors, its assigns, and every successor in interest to the Property that Grantee, such successors and such assigns, agrees to (a) construct the Improvements on the Property as required by the DDA; (b) conduct all activities undertaken pursuant to the DDA in conformity with all applicable provisions of the DDA including without limitation the provisions and the limitations of the Scope of Development, the Inglewood Municipal Code and any other applicable requirements of any governmental agency affected by the Project's construction, development, or work; (c) use the Property in conformity with and abide by the applicable covenants and restrictions set forth in this Grant Deed; and (d) maintain all buildings, signage, lighting, landscaping, irrigation, architectural elements identifying the Property and any and all other common area of the Improvements on the Property (including sidewalks, paths and other paved areas) in a neat, clean, attractive and safe condition, including removing graffiti within 24 hours from notification. Grantor has agreed to notify Grantee in writing if the condition of the Property does not meet with the maintenance standards specified herein and to specify the deficiencies and the actions required to be taken by Grantee to cure the deficiencies. Upon notification of any maintenance deficiency, Grantee shall have thirty (30) days within which to correct, remedy, or cure the deficiency (except for graffiti, which shall be removed within 24 hours from notification), unless such deficiency cannot be reasonably corrected, remedied or cured within such period, in which case, such period shall be extended for such time as is necessary to accomplish the same provided that Grantee is diligently pursuing such correction, remedy, or cure.

(4) Grantee, for itself and on behalf of its successors and assigns to all or any portion of the Property, or any interest therein, covenants and agrees that prior to the recordation of the Release of Construction Covenants as to the Property:

(a) The qualifications and identities of Grantee and its owner are of particular concern to Grantor. It is because of those unique qualifications and identities that Grantor has entered into the DDA with Grantee, and is imposing restrictions upon any Change of Control of Grantee and any Transfer until Grantor issues the Release of Construction Covenants as to the Property. No voluntary or involuntary successor in interest to Grantee shall acquire any rights or powers in the Property, except as expressly set forth herein, or under the DDA, except as expressly set forth therein.

(i) Grantee shall not (i) Transfer the Property, or any portion thereof, or any interest therein, to a third party (a "Transferee") without the prior written approval of Grantor (except for Transfers duly executed and deemed approved by Grantor as provided in the DDA), which such approval shall be given within fifteen (15) City-business days if, in the reasonable determination of the Grantor, the proposed Transferee has the qualifications of a developer (including experience, character and financial capability) necessary to develop the Property, or (ii) effect any Change of Control by any method or means (except as the result of death or incapacity), without the prior written approval of Grantor, provided, however, such approval
shall be given within five (5) business days if, in the reasonable determination of Grantor, Grantee after the Change in Control will have the qualifications of a developer (including experience, character and financial capability) necessary to develop the Property. Grantee shall promptly notify Grantor of any proposed Change in Control.

(ii) Any Transfer of the Property or any portion thereof or any interest therein, in violation hereof prior to the recordation of the Release of Construction Covenants as to the Property, shall entitle Grantor to the Excess Purchase Price resulting from such Transfer in accordance with the terms of the DDA.

(iii) Any Change of Control (voluntary or involuntary, except as the result of death or incapacity) of Grantor in violation hereof prior to the recordation of the issuance of the Release of Construction Covenants as to the Property, Grantor will constitute a breach and entitle Grantor to terminate the DDA as to the Property.

(iv) The restrictions on a Transfer or Change of Control set forth herein shall terminate upon the recordation of the Release of Construction Covenants as to the Property.

(b) Representatives of the City shall have a reasonable right of access to Property, upon two (2) business days' prior written notice to Grantee, without charges or fees, during normal construction hours for the purposes of inspection of the work being performed in constructing the Improvements. However, no such notice shall be required in the event of an emergency involving the Project Site or any portion thereof. Representatives of the Grantor shall be those who are so identified in writing by the City Manager of the City (or his/her designee) necessary for such construction inspection purposes. Such representatives shall also be responsible for providing any required written notice to Grantee. All activities performed on the Property by the City's representatives shall be done in compliance with all applicable laws, statutes, rules and regulations, and any written safety procedures, rules and regulations of Grantee and/or its contractors, and shall not unreasonably interfere with the construction of the Improvements or the transaction contemplated by the DDA.

(c) Grantee shall pay when due all real estate taxes and assessments assessed and levied on or against the Property. Grantee shall not place, or allow to be placed on the Property, any mortgage, trust deed, encumbrance or lien not authorized by or pursuant to the DDA or Paragraph (4)(d) below or not otherwise authorized by the Grantor. Grantee shall remove, or shall have removed, any levy or attachment made on the Property, or shall assure the satisfaction thereof within a reasonable time but in any event prior to a sale thereunder. Nothing herein contained shall be deemed to prohibit Grantee from contesting the validity or amount of any tax assessment, encumbrance or lien, nor to limit the remedies available to Grantee in respect thereto.
(d) Mortgages, deeds of trust, conveyances and leasebacks, or any other form of conveyance required for any reasonable method of financing are permitted with respect to the Property prior to the recordation of the Release of Construction Covenants as to the Property, but only for the purpose of securing loans and funds to be used for financing the acquisition of the Project Site, or portion thereof as applicable, the construction of the Improvements on the Project Site, and any other expenditures necessary and appropriate to develop the Project Site or portion thereof as applicable, pursuant to the terms of the DDA. Grantee shall notify Grantor in advance of any mortgage, deed of trust, conveyance and leaseback, or other form of conveyance for financing for Grantor written approval if Grantee proposes to enter into the same before the recordation of the Release of Construction Covenants as to the Property. The words "mortgage" and "deed of trust" as used herein include all other appropriate modes of financing real estate acquisition, construction, and land development, including, without limitation, mezzanine financing.

(e) Prior to the recordation of a Release of Construction Covenants as to the Property, if Grantee, after a thirty (30) day period following its receipt of notice of the existence of any such liens or encumbrances, has failed to challenge, cure or satisfy any such liens or encumbrances on the Property, the Grantor shall have the right to satisfy any such liens or encumbrances; provided, however, that nothing in this Paragraph (4)(e) or the DDA shall require Grantee to pay or make provisions for the payment of any tax, assessment, lien or charge so long as Grantee in good faith contests the validity or amount thereof, and so long as such delay in payment shall not subject the Property to forfeiture or sale.

(f) The covenants of Grantee set forth in this Paragraph (4) shall remain in effect only until a Release of Construction Covenants has been recorded as to the Property.

(5) Prior to the recordation of a Release of Construction Covenants issued by Grantor for the improvements to be constructed on the Property or on any part thereof:

(a) Grantor shall have the right, at its option, which must be exercised, if at all, prior to the cure, to reenter and take possession of the Property hereby conveyed with all Improvements thereon, and to terminate and revest in Grantor the estate hereby conveyed to Grantee, if after conveyance of title and possession to the Property, and prior to the Release of Construction Covenants as to the Property, Grantee shall:

(i) fail to commence construction of the Improvements (recognizing that commencement of construction shall include any grading or other site preparation activities performed on the Property, by Grantee following conveyance) in accordance with the Schedule of Performance and within thirty (30) days following delivery of written notice of such failure by Grantor to Grantee, provided that Grantee has not obtained an extension or postponement of time pursuant to Section 605 of the DDA; or
(ii) abandon or substantially suspend construction of the Improvements on the Property for a period of nine (9) consecutive months and within thirty (30) days following delivery of following written notice of such abandonment or suspension has been given by Grantor to Grantee, provided Grantee has not obtained an extension or postponement of time pursuant to Section 605 of the DDA; or

(iii) Transfer or attempt to Transfer the DDA, or any rights therein, or suffer any involuntary transfer of the Project Site or any portion thereof in violation of this Grantee Deed or the DDA, and such violation shall not be cured within thirty (30) days following delivery of written notice of such failure by Grantor to Grantee.

(b) The right to reenter, repossess, terminate and revest, and the provisions below regarding the application of proceeds, shall not defeat, render invalid, or limit:

(i) any mortgage, deed of trust, or other security interest permitted by Paragraph (4)(d) of this Grant Deed or the DDA; or

(ii) any rights or interests provided in this Grant Deed or the DDA for the protection of the holders of such mortgages, deeds of trust, or other security interests.

(c) The right to reenter, repossess, terminate and revest shall not apply to the Property on which any Improvements to be constructed thereon have been completed in accordance with the DDA and for which a Release of Construction Covenants has been recorded as provided in the DDA.

(d) Subject to the rights of the holders of security interests as stated in subparagaphs (5)(b)(i) and (ii) above, upon the revesting in Grantor of title to the Property, as provided in this Paragraph (5), Grantor shall, subject to applicable law and to the extent legally permissible, promptly use commercially reasonable efforts to resell the Property as soon and in such manner as Grantor shall find feasible to maximize the value thereof to a qualified and responsible party or parties (as determined by Grantor in its reasonable discretion), who will develop the Property and not resell the Property prior to such development or hold the Property for speculation in land. Upon such resale of the Property, or any part thereof, and satisfaction of the obligations owed to the holder of any mortgage, deed of trust or other security interest authorized by the DDA, the proceeds thereof shall be applied:

(i) First, to reimburse Grantor, for all reasonable costs and expenses incurred by Grantor arising from such revesting in Grantor, including but not limited to fees of consultants engaged in connection with the recapture, management, and resale of the Property (but less any income derived by Grantor from the sale of the Property in connection with such management); all taxes, assessments and water and sewer charges with respect to the Property (or, in the event the Property is exempt from taxation or assessment
or such charges during the period of Grantor ownership, then such taxes, assessments, or charges, as would have been payable if the Property was not so exempt; any payments made or necessary to be made to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults, or acts of Grantee; and any amounts otherwise owing to Grantor by Grantee:

(ii) Second, with any available balance, to reimburse Grantee the amount equal to (1) the Purchase Price for the Property, and (2) the Development Costs for the [West Parking Garage Site/East Transportation Site/Hotel Site], less (3) any gain or income withdrawn or made by Grantee therefrom or from the improvements thereon attributable to the Property; and

(iii) Any balance remaining after such reimbursements shall be retained by the Grantor as its property.

(e) For avoidance of doubt, the Grantor’s exercise of its rights under this Paragraph (5) shall be its sole and exclusive remedy for the conditions described in the foregoing subparagraphs (5)(a)(i)-(iii) and such reverter rights shall only be applicable to the Property. To the extent that the right established in this Paragraph (5) involves a forfeiture, it must be strictly interpreted against Grantor, the party for whose benefit it is created. The rights established in this Paragraph (5) are to be interpreted in light of the fact that Grantor hereby conveys the Property to Grantee for development and not for speculation in undeveloped land.

(6) Grantee covenants and agrees for itself, its successors, its assigns, and all persons claiming under or through them that there shall be no discrimination against or segregation of any person or group of persons on account of sex, sexual orientation, marital status, race, color, creed, religion, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the Property, nor shall Grantee itself or any person claiming under or through it, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of the Property by, for, or with any tenants, lessees, sublessees, subtenants, or vendees on or about the Property. The foregoing covenants shall run with the land.

(7) All deeds, leases or contracts made relative to the Property, improvements thereon, or any part thereof, shall contain or be subject to substantially the following nondiscrimination or nonsegregation clauses:

a. In deeds: "The Grantee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the premises herein conveyed, nor
shall the Grantee or any person claiming under or through him or her, establish or permit any practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the premises herein conveyed. The foregoing covenants shall run with the land."

b. In leases: "The lessee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through him or her, and this lease is made and accepted upon and subject to the following conditions:

That there shall be no discrimination against or segregation of any person or group of persons, on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the leasing, subleasing, transferring, use, occupancy, tenure, or enjoyment of the premises herein leased nor shall the lessee himself or herself, or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy, of tenants, lessees, sublessees, subtenants, or vendees in the premises herein leased."

c. In contracts: "There shall be no discrimination against or segregation of any person or group of persons, on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the land, nor shall the transferee itself or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy, of tenants, lessees, sublessees, subtenants, or vendees of the land. The aforesaid statutes are in amplification and do not restrict or diminish the requirement for Grantee to encourage such leases and contracts in furtherance of the Agreement, including the City of Inglewood Employment and Training Agreement and Requirements (Attachment No. 8 to the DDA) which must promote the local economy by encouraging local business enterprise(s) within the City of Inglewood to make bids and proposals in leasing and contracting concerning the use, operation, and maintenance of the Property and by providing preference to local contractors in procurements in the use, operation, and maintenance of the Property."

(8) All conditions, covenants and restrictions contained in this Grant Deed shall be covenants running with the land, and shall, in any event, and without regard to technical classification or designation, legal or otherwise, be, to the fullest extent permitted by law and equity, binding for the benefit and in favor of, and enforceable by Grantor, its successors and assigns, and the City of Inglewood and its successors and assigns, against Grantee, its successors and assigns, to or of the
Property conveyed herein or any portion thereof or any interest therein, and any party in possession or occupancy of said Property or portion thereof.

(9) The conditions, covenants and restrictions contained in Paragraphs (3)(a), (3)(b), (4) and (5) of this Grant Deed shall terminate and become null and void upon recordation of a Release of Construction Covenants issued by Grantor for the Property. The covenants concerning the maintenance standards and nondiscrimination in Paragraphs (3)(c), (3)(d), (6) and (7), and the covenant of Grantor in Paragraph 13, of this Grant Deed shall remain in perpetuity.

(10) No violation or breach of the covenants, conditions, restrictions, provisions or limitations contained in this Grant Deed shall defeat or render invalid the lien or charge of any mortgage or deed of trust or security interest permitted by Paragraph (4)(d) of this Grant Deed; provided, however, that any subsequent owner of the Property shall be bound by such remaining covenants, conditions, restrictions, limitations, and provisions, whether such owner’s title was acquired by foreclosure, deed-in-lieu of foreclosure, trustee’s sale or otherwise.

(11) None of the terms, covenants, agreements or conditions heretofore agreed upon in writing in other instructions between the parties to this Grant Deed with respect to obligations to be performed, kept or observed by Grantee or Grantor in respect to said Property or any part thereof after this conveyance of said Property shall be deemed to be merged with this Grant Deed until such time as a Release of Construction Covenants issued by Grantor is recorded for the Property conveyed hereby or such part thereof.

(12) The covenants contained in this Grant Deed shall be construed as covenants running with the land and not as conditions that might result in forfeiture of title, except for the covenant and condition contained in Paragraphs (4) and (5) of this Grant Deed.

(13) Grantor agrees to, from time to time, execute and deliver to any lender or prospective lender of Grantee, or other applicable third-party, within ten (10) City business days after a written request is received by the City, an estoppel certificate, in commercially reasonable form, certifying that Grantor is not aware of any default by Grantee of any of the covenants, conditions, restrictions, provisions or limitations contained in this Grant Deed, or the occurrence of an event that with notice or the passage of time or both would be default by Grantee hereunder if not cured (or if there is a default, a description of the nature of such default), and such other reasonable matters as may be requested.

EMPLOYMENT AND TRAINING AGREEMENT

In cooperation with the City of Inglewood, the Developer shall aid in the creation and development of a job recruitment and training program in order to provide employment opportunities to Inglewood residents during construction of the Project. The program shall maximize the availability and accessibility of employment in connection with the construction of the improvements on the Property. As further provided below, it shall be the goal of the Developer to award at least 30% of the total value of funds awarded for contracts and subcontracts related to construction activities of the Project, to minority contractors (reflecting the makeup of the Inglewood Community) with at least 50% of the 30% being awarded to local qualified Inglewood businesses. Special emphasis shall be placed on the creation of a partnership between the Developer and the City of Inglewood as the principal resources to achieve the aforesaid goal.

The Developer’s commitments set forth below are also included in Exhibit C to the Development Agreement, and compliance with the requirements of Exhibit C to the Development Agreement shall also constitute satisfaction of the requirements of this Employment and Training Agreement. Exhibit C to the Development Agreement also includes additional Developer’s commitments regarding employment recruitment and training with respect to the operation of the Project.

The Developer shall initiate the following actions/activities:

a) **Workforce Outreach.** In consultation with the City, Developer shall fund a Workforce Outreach Coordination Program (the "WOCP") in the aggregate amount of $600,000, over a period of 4 years, starting from the Effective Date. Funding for the WOCP shall include the costs of outreach and marketing, and the retention of a qualified Workforce Outreach Coordinator.
