Hello,

I'm an environmental consultant working on an Environmental Impact Report for a development within the City of Inglewood. I am trying to determine the Sunshine Canyon Landfills service area. I believe all of the City of Inglewood is served by CDS/Sunshine Landfill, and am wondering what other cities are served as well? Specifically looking if trash is hauled to the landfill from:

- El Segundo
- Hawthorne
- Culver City
- Gardena
- City of LA

Please let me know if this is not the right email address for this question, and who else I should contact.

Thank you so much for your help!

Janelle Firoozi, M.C.P.
