

Emergency Preparedness

Emergency Services, in coordination, conjunction and collaboration with all city departments will maximize the City's potential to prevent against, prepare for, respond to and recover from both natural and man-made emergencies and disasters.

Goals of Emergency Services

Community

To prepare and promote the community's ability to prepare for and to take mitigation measures against an emergency/disaster.

Employees and Volunteers

To prepare City employees and Disaster Service Volunteers to handle an emergency/disaster at home and in the workplace.

Internal

To revise, implement and test the City of Inglewood MultiHazard Functional Plan (MHFP); To strengthen City departments' ability to respond and recover to an emergency/disaster; To prepare and maintain systems, supplies and other logistical items to support emergency/disaster response and recovery.

External

To promote and coordinate with external agencies and organizations to assist the City in its preparedness efforts, mitigation measures, disaster response and recovery.

Emergency Preparedness Resources

In the event of an emergency in which all listed residents and businesses need to be contacted, the City of Inglewood has integrated Everbridge's mass notification system in our emergency preparedness process. The Everbridge mass notification system is at the forefront in its industry. It's been voted a industry leader. The Everbridge mass notification system keeps everyone informed before, during, and after events whether emergency or non-emergency.
