Good evening Mindy and Fred,

Hope all is well. As per our discussion last week during the 06.06.18 Murphy's Bowl IBEC EIR Team Coordination Meeting (which was sub-consultants only), the Team decided it was best to add an extra column to our related projects list, titled "Project Phase – Est. Completion Date", which will cover each individual project from each City, as well as the County.

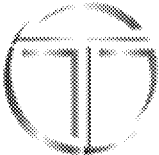

In keeping with your terminology used in your "Inglewood-Active Projects List" sent via email on May 25th (also attached), we are looking to complete this new column.

Attached is the most updated list we have from the City of Inglewood. We are still missing the project phase and estimated completion year for some projects; please see below:

- Missing Project Phase and Est. Completion Year, Project #'s: 1, 11, 19, 35, 36, 37, 45, 46, 47, 48 (highlighted red)
- Missing Est. Completion Year, Project #'s: ALL (except for #7)

For completed projects (see project #7 –Senior Center), we are marking it as "Completed in 2018 – occupied". If you have any questions please call me and I would love to help you guys! Thanks again.

Best,
Jason D'Andrea
