Hi Lisa – Attached as discussed are ESA's qualifications related to the Clippers Arena project. Brian Boxer and Terri Avila, our recommended management team, are copied on this email. As I mentioned to you they both have substantial related experience, and are among the most senior, experienced, and successful managers in our area of environmental consulting. Let me know if I can arrange a call to introduce you and help us get a further understanding of your needs for our pending proposal. Please confirm receipt, and thank you again for contacting us, we are truly excited at the prospect of assisting the City with such a landmark project. Regards,
