Guys- can we talk about the setback along prairie on the east side. Hollywood park specific plan had a 30 foot setback along prairie – we are encroaching for the ITC plan, and wanted Omar to reach out to you guys to discuss how we are handling for the Clippers – which I recognize is more constrained site, but we should discuss this week. Omar- can you set up a call with Mindy, Peter, Louis and Srinath.

Hi, Catherine,

Here is a copy of the latest version of the site plan; note that this is outdated given the latest changes to the allocation between east and west parking areas and some circulation changes that were finalized last week. As such, it should not be relied on or presented publicly.

Thanks,  
Dennis
