Good afternoon Christina. Per a discussion I had with Addie regarding public services, will you have access to the HPSP plans tomorrow during your meeting in Inglewood? I believe there is only a hard copy of the plans available? Addie and I were both thinking you could possibly take some pictures of the HPSP plans that provide any information regarding the following:

- <!--[if !supportLists]--><!--[endif]-->Proposed fire infrastructure/fire facilities (i.e., proposed hydrants, new station);
- <!--[if !supportLists]--><!--[endif]-->Existing fire hydrants;
- <!--[if !supportLists]--><!--[endif]-->Proposed water infrastructure/fire flow;
- <!--[if !supportLists]--><!--[endif]-->Existing water infrastructure;
- <!--[if !supportLists]--><!--[endif]-->Proposed police facilities; and
- <!--[if !supportLists]--><!--[endif]-->Proposed parks/recreation facilities.

We need this information to include within the public services analysis regarding adjusted baseline.

Thank you so much.
