Ben - on Wednesday, do you mean afternoon only? We could do Wednesday morning before our afternoon flight, or Thursday (central time) between about 12 and 2, or starting at 4.

David,

We would like to schedule a WebEx to review the materials we have developed. How does your schedule look for Wednesday or Thursday afternoon this week?

Hi Ben-

This is David Stone with Stone Planning. As I believe you're aware, we're working with the city on the Clippers arena and have been asked to review your estimates of new vs. transferred usage. We'll be out there next week for a meeting with the city on Monday – I don't know if you'll be there too – but I was asked to ask you directly for your estimates (I was told it was 50-50) and whatever backup you can share with us (not the city).

Please pass along what you can, and/or I'm happy to have you communicate it in another way if you'd like.

Thanks-  
David
